Now, take a look at this – a beautifully presented and extended detached family home that really has it all. The current owners have done a fantastic job improving it, and it offers spacious accommodation over three floors – ideal for a busy family!

Step inside, and you're greeted by an inviting porch and hallway. There's a generous lounge, a separate dining room with sliding patio doors that open straight onto the garden – perfect for those summer barbecues – and a cosy sitting area alongside a hand-built kitchen with stunning granite worktops. Plenty of space for everyday living, and it just flows beautifully.

Upstairs, you've got four good-sized bedrooms, a family bathroom with a bath, and a separate shower room – so no more morning queues! And wait until you see the second floor – a wonderfully light bedroom with three Velux windows that flood the room with natural light. Absolutely brilliant as a guest room or a teen's space.

Outside, there's plenty of driveway parking and a tandem garage that leads into a utility room and cloakroom – very practical. The west-facing garden is just lovely, with lawn, patio, and a summer house – a real suntrap for those long, lazy evenings.

And let's not forget the little extras: gas central heating and double glazing fitted throughout in 2022, keeping the whole house warm and energy efficient.

Honestly, this is a fantastic family home – ready to move into and enjoy straight away. It really does have the lot!
