The Old Farmhouse

Great Trebargie

East Taphouse

Liskeard

Cornwall PL14 4NG

A detached five bedroom farmhouse with integral two bedroom annexe. Recently modernised and extended with further detached two bedroom holiday barn. Large garage/workshop. In all 2.36 acres. Viewing is highly recommended.

An attractive detached character property quietly located in a rural position a short distance from the village of Dobwalls. The property is flexible in as much that the main dwelling can be divided to create an integral annexe or comfortably run as a large five bedroom property.

Externally, there is a recently converted holiday barn provided two double bedrooms. In all, the property is sat within 2.36 acres and offers opportunities to create a smallholding or versatile property bringing in various revenue streams. With the 2.3 acres of land, this could be used as paddocks or there is potential to create some form of shepherd hut/glamping-type use if desired.

The property is conveniently placed for the main A38 roadway providing easy access to the city of Plymouth, approximately 30 minutes' from by car and train. The market town of Liskeard is within easy reach and provides a good range of shops, commercial and recreational facilities together with good schooling. There is excellent scenery close by with Bodmin Moor and beautiful coastal scenery a few miles to the south.

The property has been recently renovated and extended and viewing is highly recommended.

OUTSIDE

A sweeping gravelled driveway leads to the property. There is ample space for parking and potential to create a separate access for the barn if desired. Each property has their own private patio areas with paved paths adjoining the dwellings. Currently, all of the land is used as garden with a range of younger and mature trees. Within the paddock, there is a small allotment with raised beds. In addition, there is a young orchard with a mixture of apple, pear, cherry and plum trees. There is a lower paddock with potential to create some additional income subject to planning with shepherds huts or potential glamping pitches. A bin store and covered air source heat pump provide underfloor heating to the barn while there is a boiler cupboard externally to the main dwelling housing a modern LPG boiler and factory insulated hot water cylinder and electric immersion heater. Within the grounds, there is a Garage/Workshop which is in need of completion. The **Garage/Workshop** measures 8.79 x 6.0 (28'8" x 19'7") plus 4.8 x 4.49 (15'7" x 14'7") provision for electricity to be connected is in place with water connected. There is further scope for conversion subject to planning.

SERVICES

Mains Water and Electricity are connected. A septic tank provides drainage. LPG gas provides heating to the main dwelling. An air source heat pump provides underfloor heating to Stonie Broke Barn. Fibre broadband connected. Good telecoms. Good mobile signal.
