

37 Riverside Court West Way, Oxford, Oxfordshire, OX2 0FL

This property is a modern top floor apartment built in 2022, making it relatively new and well-maintained. It features three bedrooms and is an ideal living space for up to three individuals looking to share the apartment or for a small family.

The apartment comes with the added benefit of allocated parking, ensuring that residents have a designated parking space for their convenience and security.

Inside, the apartment boasts three spacious double bedrooms, providing ample room for comfort and storage. One of the double bedrooms also includes an ensuite bathroom, offering privacy and convenience for the occupant(s) of that room. Additionally, there is a secondary bathroom in the apartment for common use, providing extra convenience and ensuring that the apartment accommodates the needs of its residents well.

The living and kitchen area is designed to be generous and open, allowing for a comfortable and social environment. This space also opens up to a balcony, providing residents with the opportunity to enjoy fresh air, natural light, and potentially lovely views of the surrounding area.

Another attractive feature of this property is the views it offers. Being situated near a meadow, residents can enjoy pleasant views of nature, creating a serene and tranquil living environment. Additionally, the area's quietness adds to the overall appeal, making it a peaceful retreat from the hustle and bustle of the city.
