SITUATION

The much prized village of Goring on Thames occupies a stunning location in the Thames Valley set between the Chiltern Hills and Berkshire Downlands as the River flows from Oxford down to Reading, in an area of scenic landscape known geographically as the 'Goring Gap' and designated an 'A.O.N.B.' In 2009 Goring was awarded the prestigious 'Oxfordshire Village of the Year' and also won the coveted best in 'South of England' title.

This stretch of the River, the longest between locks, is regarded as one of the most beautiful and is forever associated with Kenneth Grahame's immortal book "The Wind in the Willows" as well as Jerome K Jerome's book "Three Men in a Boat" which actually mentions Streatley in its narrative.

The village boasts an excellent range of shops and facilities together with Olde Worlde pubs, a highly regarded Bistro/Café, choice of restaurants, Boutique hotel, Doctors and Dental surgeries and importantly a mainline station offering fast services up to London (Paddington). There is also easy access for the major local towns, including Oxford, Reading and Newbury, the M4 and M40 motorways, and for Heathrow.

Recognised as a thriving community, there are a wide range of clubs, societies and special interest groups to suit most people.

There is a highly rated Primary school and in the local area are a first-class choice of both state and private schools with bus collections.

The central part of Goring is a 'Conservation Area' and has a wealth of interesting period properties many Listed being of significant architectural and historical interest.

Streatley on Thames, situated on the opposite Berkshire side of the river, is another pretty village surrounded by hills and woodlands now mainly owned by the National Trust. Fronting onto the river by the bridge crossing over to Goring is the luxury 4 star riverside hotel The Swan, renowned for its fine cuisine and leisure and fitness facilities and Coppa Club restaurant.

Crossrail (Elizabeth Line) services have commenced from Reading, which together with the completed electrification of the line has significantly improved travelling times to East and West destinations.

Milldown Avenue is a wide residential road with deep grassed verges on either side and mature lime trees along its frontage.

Planning permission has been granted for the site. The permission was granted in October 2021 and is for 1 single detached dwelling with parking and amenity space.
