SITUATION

The pretty Thameside village of South Stoke situated between Reading and Oxford, lies on the East bank of the river, set between the Berkshire Downlands and the Oxfordshire Chilterns in the wide River valley opposite the village of Moulsoford, surrounded by scenic rural countryside designated an “Area of Outstanding Natural Beauty”.

Largely unspoilt with only a limited amount of modern development, the village has a fine main street with many interesting period properties, some dating from the 16th century. Historically the village retains a close connection with Christchurch College in Oxford which was given land and property by Henry VIII at the time of the Reformation in the Middle Ages and as a result of this the timeless country way of life survives even today. Local amenities include a highly regarded traditional Inn “The Perch & Pike”, a popular Primary School, a village hall with recreation ground, a thriving Community Shop and a regular bus service between Wallingford, Goring and Reading. The River Thames is within easy walking distance at each end of the village offering boating and recreational facilities including walks along the River Path to Goring and Wallingford.

The historic Ridgeway Path also runs through the village, having crossed the river at Goring on Thames from Streatley, continuing along the riverbank to North Stoke where it leaves the Thames and continues up onto the Chilterns and the Icknield Way.

The nearby village of Goring on Thames offers more comprehensive shopping facilities including a modern health centre, dentist, library, several "Olde Worlde" Inns, a Boutique Hotel, range of restaurants, two Riverside Bistro/Cafés, and a mainline railway station providing fast commuter services up to Reading and London (Paddington) in well under an hour.

The larger historic town of Wallingford granted a Charter by Henry 11 in 1155, is also close by and has first class shopping facilities including a Waitrose.

The major centres of Reading, Oxford, Newbury and Henley on Thames are all within easy driving distance as are the M4 and M40 Motorways.
