SITUATION

The Thameside village of South Stoke situated between Reading and Oxford, lies on the East bank of the river, set between the Berkshire Downlands and the Chilterns in Oxfordshire in the wide River valley opposite the village of Moulsoford, surrounded by scenic rural countryside designated as an “Area of Outstanding Natural Beauty”.

Largely unspoilt having only a limited amount of modern development, the village has a fine main street with many interesting period properties, some dating from the 16th century. Historically the village retains a close connection with Christchurch College in Oxford who were given land and property by Henry VIII at the time of the Reformation in the Middle Ages and as a result of this the timeless country way of life survives even today. Local amenities include a highly regarded traditional Inn “The Perch & Pike”, a C. of E. Primary School, a village hall, shop and recreation ground, and regular bus services to Wallingford and Reading. The bus service also connects with train services to Reading and Paddington. The River Thames

is within easy walking distance at each end of the village offering recreational facilities including walks along the Tow Path to Goring and Wallingford.

The historic Ridgeway Path also runs through the village, having crossed the river at Goring on Thames from Streatley, continuing along the riverbank to North Stoke where it leaves the Thames and continues up onto the Chilterns and the Icknield Way.

The nearby village of Goring on Thames offers more comprehensive shopping facilities, a modern health centre, a dentist, library, a veterinary centre, several “Olde Worlde” Inns, a Boutique Hotel, range of restaurants, a fabulous Riverside Bistro/Café, and a mainline railway station providing fast commuter services to Reading and London (Paddington) in well under an hour. There are excellent road communications with easy access to Henley, Wallingford, Reading and Oxford as well as the M4 and M40 Motorways.

PROPERTY DESCRIPTION

November Cottage is an individually designed detached house, built in 1960's with red brick elevations under a tiled roof. The property has been occupied by the same family for over 30 years and benefits from leaded windows and the installation of a conservatory which takes in the wonderful views of the gardens. Entrance is through an enclosed covered porch into the hallway which has the staircase and a cloakroom to the far end. The dining room has doors leading into both the conservatory and the sitting room. The

sitting room enjoys dual aspect and has a working fireplace. The kitchen is fully fitted with a breakfast area for dining and next door is the generous utility room which has access to the front and side of the house. Upstairs, the main bedroom has ample built in wardrobes and an ensuite with claw foot bath. There are 3 further bedrooms and family bathroom. The house has wonderful light and bright rooms and an early viewing is recommended.

OUTSIDE

The property is approached behind a hedged boundary and then onto the spacious driveway with parking for several cars and beautiful Acer Tree. The attached double garage has 2 up and over doors to the front and a back door off the side. The gardens wraparound the house and are filled with stunning borders

featuring plants and shrubs flowering throughout the year, as well as a Magnolia and Fruit Trees. Backing onto fields and woodland, the gardens are in total privacy. There is a kitchen garden with raised beds, fruit cages and a Greenhouse. Offering plenty of seating opportunities and totalling 0.45 of an Acre, the gardens compliment an "al fresco" lifestyle and are a wonderful addition to this property.
