SITUATION

The picturesque village of Streatley on Thames lies in a valley on the Berkshire side of the river between Reading and Oxford, facing Goring on the Oxfordshire side. The surrounding countryside is designated an area of 'Outstanding Natural Beauty' and historically this was a natural crossing point of the river, set between the Berkshire Downs and Chiltern Hills, known geographically as the 'Goring Gap'. The interesting High Street, which forms the central part of the village running down to the river and the bridge across to Goring, is now a 'Conservation Area' where there are a wealth of period properties many of considerable architectural merit including a thatched cottage, a beautiful William and Mary house and an Elizabethan farmhouse, supposedly haunted by a lady in white. Following the building of the railway through the Thames Valley by Isambard Kingdom Brunel in approximately 1840, the villagers of Streatley decided the railway should go on the Goring side with the result now that while Streatley has changed little, the village of Goring on Thames has grown substantially and is now the larger village.

In the village there is a parish church with Norman origins, a luxury riverside four star hotel, The Swan, which also offers a leisure and fitness club and at the top of the High Street is the Bull Inn which was an old coaching inn when the Royal Mail stopped en-route between Oxford and London. There is also a prestigious golf club, established over one hundred years ago, set amidst beautiful rolling countryside. The village also boast its own very well regarded Streatley Primary School, with the outstanding secondary school, 'The Downs', being in catchment for the village also, and having its own bus route. In addition to having well revered local state primary and secondary schooling, the area is also extremely well served by an excellent range of private schooling, of particular note; Cranford School, The Oratory Preparatory School, Moulsoford Preparatory School, St Andrews Preparatory School, The Oratory School, Pangbourne College, Brockhurst & Marlston House, Downe House, Rupert House School, Shiplake College, The Abbey School, Bradfield College, The Manor Preparatory School, Abingdon School, Abingdon Preparatory School, Radley College, and St Helen & St Katharine.

Behind Streatley the ground rises steeply where the Berkshire Downlands meet the wide Thames Valley and from the top there are panoramic views far into Oxfordshire. The woodland and hills surrounding Streatley have been acquired in recent years by the National Trust and the extensive bridleways and footpaths are now open to the public.

Across the river, the larger village of Goring-on-Thames offers a wide range of amenities and facilities including shops, modern health centre, traditional inns, a hotel, library, dentist and importantly a main line railway station providing excellent commuter services to Oxford, Reading and up to London (Paddington). There is also easy access for the major local towns, including Oxford, Reading and Newbury, the M40 and M4 motorways, the latter linking directly to Heathrow.
