SITUATION

The quiet, rural village of Compton is set in the folds of the rolling Berkshire Downlands, in an “A.O.N.B.” and has a long history, being mentioned in the Domesday Book and with local evidence of earlier Roman occupation.

The beautiful flint walled Parish Church of St Mary and St Nicholas retains some Norman features and there are numerous examples of attractive, period cottages and houses, including the Grade II Listed 17th Century Compton Manor, reflecting the growth of the village over the centuries from its earliest origins as a small hamlet and in particular the expansion of the village over the last 150 years. The village is now a thriving community with a modern health centre, village Stores, Hotel with restaurant and excellent primary and secondary schools, notably the Downs Secondary School which has built up an enviable reputation for academic standards in recent years and now boasts its own VI form and excellent Ofsted ratings. In addition to having well revered local state primary and secondary schooling, the area is also extremely well served by an excellent range of private schooling, of particular note; Cranford House School, The Oratory Preparatory School, Moultsford Preparatory School, St Andrews Preparatory School, The Oratory School, Pangbourne College, Brockhurst & Marlston House, Downe House, Rupert House School, Shiplake College, The Abbey School, Bradfield College, The Manor Preparatory School, Abingdon School, Abingdon Preparatory School, Radley College, and St Helen & St Katharine.

Farming has always been important to the village and is still a major way of life today. The village also has a long-standing connection with the breeding and training of racehorses with a racing stable still existing in the village and with other prominent training establishments in the local area.

Compton has good road communications, notably via the fast A34 dual carriageway at East Ilsley some 2 miles to the West linking Newbury and Oxford and with the M4 easily accessible at Junction 13 (Chieveley). The nearby expanding town of Didcot has an established shopping centre and a mainline station providing fast commuter services up to London (Paddington via Reading) in well under the hour.

Reading and the M4 at Theale (Junction 12) can both be reached via a quiet cross-country route as can Goring on Thames which also has a mainline station and is easily accessible.

To the North of the village lies the ancient Ridgeway Path which winds its way over the Downs eventually crossing the Thames at Streatley and on up into the Chilterns.

Crossrail (Elizabeth Line) services have commenced from Reading, which together with the completed electrification of the line has significantly improved travelling times to East and West destinations.
