SITUATION

Situated in scenic countryside designated an area of 'Outstanding Natural Beauty', the small village of Lower Basildon lies approximately midway between Pangbourne and Streatley-on-Thames, lying at the foot of the Berkshire Downlands overlooking the Thames Valley and across to the Chilterns on the Oxfordshire side of the river. On the edge of Lower Basildon stands the historic Basildon House, now owned by the National Trust and open to the public as is Beale Park, which extends along the banks of the river where can be seen many exotic varieties of animals and birds as well as a miniature railway. Near the river off Church Lane is the historic 13th century Parish Church of St Bartholomew and there is a petrol filling station with a convenience store.

Comprehensive everyday amenities and facilities including shops, health centres, libraries and excellent primary schools are available at Goring-on-Thames and Pangbourne, with both villages also having main line railway stations providing fast commuter services to Reading and up to London (Paddington in well under an hour). Road communications are also excellent for the major surrounding centres and with the M4 and M40 motorways both easily accessible. In addition to having well revered local state primary schooling in Upper Basildon and Streatley-on-Thames, nearby and secondary schooling, the area is also extremely well served by an excellent range of private schooling, of particular note; Cranford House School, The Oratory Preparatory School, Moultsford Preparatory School, St Andrews Preparatory School, The Oratory School, Pangbourne College, Brockhurst & Marlston House, Downe House, Rupert House School, Shiplake College, The Abbey School, Bradfield College, The Manor Preparatory School, Abingdon School, Abingdon Preparatory School, Radley College, and St Helen & St Katharine.

Crossrail services have commenced from Reading, which together with the electrifying of the line will significantly improve travelling times to central London destinations.

PROPERTY DESCRIPTION

White Lodge is a stunning Grade II listed property, originating from the Edwardian era reflected in the front of the building and Victorian in the rear. It displays stunning architecture, such as recently refurbished sash windows which offer dual aspect to both reception rooms and main bedrooms, high ceilings with cornicing and exceptionally large rooms. Entrance is into a porch with cloakroom. The main door then leads into the grand entrance hall which extends through the house and has black & white flooring which follows through into the kitchen at the end. The 2 main reception rooms have large bay windows and the family room at the back overlooks the garden and has French doors leading out onto a fixed Loggia. There is an impressive sandstone surround with open fireplace. The sitting room has floor to ceiling doors with original shutters and there is a wood burner a door then leads to a rear lobby. From the hallway the staircase sits in the middle with built in storage underneath. A door then leads down to the large cellar which has 2 rooms. The kitchen is fully fitted and leads round to the separate utility room. The wide staircase leads up to the luxurious family bathroom, with dual sinks, standalone bath and walk in shower. The stairs then continue up to the large landing. The main bedroom is a large suite with views across the valley and feature fireplace (non-working). The ensuite has a large walk in shower. The second bedroom is also generous in size and overlooks the gardens with fields beyond and there is another bedroom in-between.

With generous accommodation already, the property benefits from approved planning permission to remove the front porch and the tiled roof over each bay window and extend the kitchen on the ground level and then extend into the loft to create 2 additional bedrooms.
