- SET IN THE POPULAR VILLAGE OF EAST AYTON

This is a rare opportunity to move into a four bedroomed home in one of the best locations on this popular estate: a large corner plot with patio and garden to the south and west that capture the sun all day and evening. Ideally located close to the many amenities in the village, you are also a stroll away from the North Yorkshire Moors.

This home is well-decorated and maintained with double-glazing throughout and gas central heating via a combination boiler. Downstairs, the spacious lounge with bow window to the front and the kitchen diner with breakfast bar and modern units are enhanced by the large, light conservatory with double doors that open into the garden. There is a downstairs toilet and under-the-stairs storage cupboard. Upstairs, this family home has two double bedrooms plus two single rooms and a shower room with electric shower. Outside it also has a detached garage and driveway.

East Ayton is a very popular village on the edge of the moors with an active local community served by a regular bus route. The primary school - recently rated as 'Good' by OFSTED, post office, dentist and doctors surgeries, library, shop and garage, barbers and choice of restaurants are all a short walk from this family home which is set well back from the main road. Living here puts you at the heart of the community but the gardens and corner plot create space and give views across the Vale of Pickering and towards Staxton Hill.
