DESCRIPTION

Situated within an exclusive gated cul-de-sac is this immaculately presented 4/5 BEDROOM DETACHED EXECUTIVE style residence, with 3 RECEPTION ROOMS, ATTACHED DOUBLE GARAGE and gardens.

This immaculately presented property was built in 2007 and is on the market for the first time as the current vendors family are now grown up so they are looking to downsize. Having been exceptionally well looked after the vendors have also had solar panels installed, which are privately owned and have a FIT of approximately £700 per year. The house is approached over a tarmac private shared lane through a gated entrance and leads to the private driveway with 'coming home' lights to the attached Double Garage. The house can be accessed through the utility room, or a good sized and welcoming Entrance Hall with Cloakroom and large cloaks cupboard, which then leads to a generous Sitting Room, with double square paned doors into the Dining Room and opening into the Kitchen/Breakfast Room. Attractively fitted with a comprehensive range of Shaker style units with integrated appliances including fridge/freezer, dishwasher and range cooker. From the Kitchen/Breakfast Room a door leads back to the hallway with a door to the Study/Bedroom 5, currently used as a study but could easily make a comfortable ground floor double bedroom for a family member or guests. Utility Room with space for white goods and housing the Oil fired Boiler which supplies the central heating. On the first floor a spacious landing gives access to all rooms comprising a Master Suite with Dressing Room and En Suite Bathroom, Bedroom 2 boasts an En Suite Shower Room and 2 further double bedrooms together with a family Bathroom. All the bedrooms have built-in wardrobes and the dressing room has further built-in wardrobes and dressing table. Outside, to the front of the property are level gardens with pedestrian gate to side giving access to the rear. To the other side is the attached Double Garage with side garden currently used as a wild flower garden and housing the oil storage tank. From the garage a personal door leads to the rear garden. An enclosed rear garden provides an excellent sun trap with patio, ornamental fish pond, lawn with further patio. Further area to the rear of the garage useful for storage. In all, this superb family home offers a great deal of

flexibility and extensive storage throughout, appealing to a variety of buyers including those looking to work from home or have an extended family.

LOCATION

The property is quietly situated at the end of a gated private road on the fringes of the town. Set amidst the rolling green Cornish countryside, Launceston is known as the gateway to the county and sits on the Devon border. The towns skyline is dominated by the ruins of a Norman castle that stands high on a hillside with dramatic views over Bodmin moor and Dartmoor. The castle was a strategically important building after the Norman Conquest and its green was used for executions until the 19th century. Launceston is situated between the north and south coasts, so is convenient for beaches and the Cornish countryside. The surrounding area offers leisure for all types; facilities include two golf courses – Trethorne and Launceston – and Roadford Lake Country Park where visitors can fish for trout, sail, windsurf, cycle, row, kayak and camp. Shopping with plenty of big names including Marks and Spencer Food Hall, Tesco, Argos, Iceland and Pets at Home, with the town centre boasting quirky independent shops. Once the ancient capital of Cornwall, Launceston is steeped in history and featured prominently in Daphne du Maurier's smuggling classic, Jamaica Inn. The inn itself sits between Launceston and Bodmin and visitors can travel back 300 years to experience something of the romance, folklore and villainy associated with this historic coaching inn and the area. Launceston has some great schools including Launceston College for children aged 11 to 18. Windmill Hill Academy and the St Stephen's Academy is a primary school with an excellent special needs centre. St Joseph's is a successful local independent school for those aged 3 to 16. Villages surrounding Launceston also have good primary schools. The A30 will see you onto the M5 at Exeter in under 45 minutes and the A388 will get you to Plymouth in under an hour. The seaside resort of Bude is just 17 miles away.
