

Royston Road, Bearsted, Maidstone, , ME15 8NS

Offers Over £500,000

Offered to the market is this beautiful example of a rarely available 1930s Semi-Detached three bedroom family home, situated in one of Bearsted's sought after roads. In short walking distance of the many excellent local amenities including an array of shops, excellent local pubs and cafe's.

The 'Kerb-Appeal' of this highly attractive property is immediately evident as you approach the house by way of the generous driveway, and it only becomes more impressive once you step inside. The entrance hall leads us to an inviting lounge that manages to be both cosy and spacious at the same time. The very well proportioned utility room has space for a home-office area and the potential to create a downstairs cloakroom. The ground floor accommodation is completed by a spectacular extension that gives a large, modern, open-plan kitchen/dining/family-room, opening onto the garden, making this a perfect option for a growing family and those who love to entertain.

Venturing upstairs we find an airy landing providing access to the generous Principal bedroom, double second bedroom and the third bedroom that is a good-sized single. The family bathroom has been modernised in a contemporary fashion. Overall we consider this property to be in excellent decorative order throughout and in 'turn-key' condition.

The property further benefits from an integral garage with the traditional double doors in keeping with the aesthetic of the house. The larger than average garden, is mostly laid to lawn and gives the opportunity for a green-fingered buyer to really make it their own

Tenure: Freehold. Council Tax Band: D. EPC Rating: To Be Confirmed.
