Tenure: Leasehold

****COOL CONTEMPORARY FLAT!**** Look at the urban finish and the practical layout. Complete with lots of light from windows boasting rooftop views. L-shaped lounge diner, separate kitchen, double master bedroom and single or home office with built in storage, bathroom and loft access! This building has a wonderful community inside and is very well looked after by its residents and management company - new flooring in the communal area is being arranged. Parking space included outside along with bike store. All this with the real benefit being where the block is situated giving awesome transport links from Easton, Eastville Park & Retail Park are a walk away and plenty of cool eateries and amenities on the doorstep. Please come along and have a look.
