Very unique and rarely available Grade II listed house situated in the heart of Worthing Town Centre. Part of the original house was built in Georgian times in approximately 1830, but was then well extended back to back in the Victorian times greatly increasing the size of the property. The house retains much original character and has a quirky appeal. The house is arranged over three floors with split level landings and a semi basement. Briefly the accommodation comprises: Entrance hall, bay fronted lounge, dining room, kitchen, conservatory, ground floor WC, first floor landing, three bedrooms, and a bathroom/WC. There is also a semi basement with a 4th bedroom and a large utility room.
