OUTSIDE

Private Driveway

Brick block paved private driveway providing off street parking for several vehicles. Shaped shingle and flower and shrub beds. Electric car charging point with remote control facility. Gates to either side of the home providing access to the rear garden.

Feature Rear Garden

A further feature of this home, this landscaped rear garden is approximately 120' in length and yet still offers privacy and seclusion. The garden has been loved and well maintained by the current owners with the first area of garden being paved to the rear and width of the home, and offers ample space for garden table and chairs. The majority of garden is then laid to lawn with well stock and attractive, low level and raised, flower and shrub beds and borders. Numerous trees including a fig, pear, cherry and apple. Large timber storage shed/workshop.
