Our commitment to you.

We believe keeping you fully informed throughout the home-buying process is key to making the whole experience enjoyably simple. That's why we created The Charles Church Commitment. It's our way of making sure you receive exceptional customer service and relevant communications before, during and after you've moved in.

As part of our commitment, we carry out comprehensive inspections of all key build stages on every new home we build to ensure everything meets our exacting standards. Once you've picked up the keys, we'll give you a few days to settle in before getting in touch to check everything's okay and to answer any questions you may have. We're happy to hear from you at any point however, so always contact us if you have any issues.

Becoming part of the scenery.

While we may have over 60 locations around the UK, we go to great lengths to adopt a local approach when it comes to building your home. So when we provide you with the local specification, you can be confident it'll be a perfect fit for the area in terms of the style of architecture and choice of materials. We also incorporate local scenery such as trees and ponds, and work with ecologists to protect the landscape and biodiversity.

Always by your side.

Your safety will always be our priority, which is why we'll give you an exclusive emergency cover number when you move in which you can call in the unlikely event of a complete power failure, gas leak, water escape or severe drain blockage. And don't forget, when you buy a new home with us you'll benefit from our two-year Charles Church warranty, which runs alongside a ten-year insurance-backed new homes warranty.
