Treatment Room to Rent – Village Beauty Salon

A lovely, bright treatment room has become available to rent in an established beauty salon, right in the heart of Whalley village.

The room is spacious with big windows letting in plenty of natural light, wood-effect flooring, and a cosy feature fireplace that adds a touch of charm. Neutral décor makes it easy to add your own style and create a relaxing space for your clients.

This would be an ideal spot for a beauty therapist, lash/brow tech, aesthetics practitioner, massage therapist, or anyone offering holistic treatments. You'll also benefit from being part of an established salon, with regular footfall and a friendly, supportive environment.
