From here, the highlight of this home awaits, the sitting/dining room. Boasting hardwood flooring, exposed beams, a cosy wood burner inset in a brick fireplace, and triple aspect windows allowing an abundance of natural light and magnificent garden views, this room really is the pinnacle of country living. Its sheer size also lends itself to a multitude of layouts and uses to suit your needs.

The second bedroom presents a well-lit and versatile room with space for a double bed and additional furniture, with a separate room from here that could be used as a dressing room, home office, playroom, or a bedroom with some minor works.

Externally, the property continues to impress with a long driveway offering ample parking, and a beautifully landscaped garden throughout boasting mature borders and fruit trees, a charming brick path and a pond.
