The fully renovated home on a great plot...

Set in a peaceful position towards the end of Old Station Road, this beautifully upgraded detached three/four bedroom home offers a wonderful balance of privacy, comfort, and convenience — just a short walk from Halesworth's historic market town centre and railway station.

Fully renovated after purchase in 2016, the property has been thoughtfully improved throughout, including new windows and exterior doors, a new roof with extra insulation, updated wiring and plumbing, and a new bathroom. The layout was also reconfigured to create a larger bedroom and bathroom, with new fascias, soffits, guttering, fencing, and a new consumer unit. A new boiler was installed in 2018, and the garden room roof was replaced in 2024 — leaving little for a new owner to do but move in and enjoy.

The home offers a generous frontage with dual five-bar gates, ample parking and a single garage, with potential to expand the driveway if desired. The private rear garden is a real highlight — sunny and well-screened, with mature planting, seating areas and a greenhouse.

Inside, the accommodation includes a welcoming hallway, dual-aspect lounge with open fire, modern kitchen/breakfast room, bright conservatory, and a flexible ground-floor reception room ideal as a dining room, study, or additional bedroom, with a rear lobby and wc cloakroom, which could easily become an ensuite shower room with very little work. Upstairs are three well-proportioned bedrooms, two doubles and a single, and a stylish family bathroom with twin hand basins and a bath with a thermostatic shower over.

Perfectly located for both town and countryside, this lovely home is within walking distance of shops, cafés, and Halesworth station, as well as scenic walks towards the fishing lakes and open countryside.

A superbly maintained and upgraded home offering peace, practicality and quality in equal measure.
