The modern two-double-bedroom apartment...

Situated within the sought-after Printworks development—completed in early 2022—this superb two-bedroom apartment offers contemporary living just moments from Norwich city centre.

The development combines high-quality design with convenience, providing residents with secure gated parking, a modern entry system, and well-kept communal areas. The building is ideally placed within walking distance of Norwich Train Station, Carrow Road, and the vibrant Riverside quarter, making it perfect for professionals, commuters, and those seeking city living with a calmer setting.

Positioned on the first floor, Apartment 2 enjoys a light-filled and spacious layout. The open-plan living area features a stylish fitted kitchen complete with integrated appliances—oven, hob, dishwasher, washing machine, fridge-freezer, and microwave—all designed for easy, modern living. The space opens onto a private balcony, offering lovely views towards the river and creating a peaceful spot to unwind.

The principal bedroom includes built-in wardrobes and a sleek en suite shower room, while the second double bedroom is equally well-proportioned and served by a contemporary family bathroom. Both rooms benefit from excellent natural light and a quiet outlook, despite the proximity to the city.

With its prime location, quality finish, and secure environment, 2 Platemakers Court represents an excellent opportunity to own or invest in one of Norwich's most desirable modern developments.
