A convenient side entrance leads to the front door, inviting you into an immaculately presented open-plan living and dining space. At the heart of the home is a stylish kitchen complete with an elegant island housing an induction hob, integrated oven, and modern appliances – all bathed in natural light from the rear garden.

The living space flows effortlessly, with room for a cosy L-shaped sofa and a feature wall perfect for entertaining or relaxing. French doors draw you out to the surprisingly generous rear garden – an unexpected bonus for a two-bedroom home – fully enclosed for privacy and ideal for pets, children, or green-fingered pursuits.

Downstairs also boasts a modern family bathroom with bath and shower, while upstairs you'll find two double bedrooms, including a spacious master suite with dual aspect views and a sleek ensuite shower room. The second bedroom enjoys a calming garden outlook – perfect for guests, children, or a home office.

Outside, mature trees and fencing create a secluded oasis. With rear access to the driveway and a handy side gate, the layout is both functional and inviting.
