8 Southdown Cottages The Triangle

Eastbourne, BN20 9PH

Phil Hall Estate Agents welcomes to the market this delightful property tucked away in one of Eastbourne's most desirable residential areas. Southdown Cottages offers a rare opportunity to acquire a characterful two-bedroom detached home brimming with potential. Ideally situated within The Triangle, a peaceful and established community, this charming property is perfectly placed for local shops, well-regarded schools, regular bus services, and the main arterial roads in and out of Eastbourne—offering both tranquillity and connectivity.

As you step through the front door, you're greeted by a welcoming entrance hall that sets the tone for the home. The layout is both traditional and practical, with immediate access to the living room, kitchen, and stairs to the first floor. A handy under stairs storage cupboard offers practical space for everyday needs.

The living room, located at the front of the house, is a bright and well-proportioned space. A large double-glazed window brings in plenty of natural light, while a feature fireplace serves as the focal point of the room, adding character and charm. This room flows seamlessly through a set of folding doors into the formal dining room, ideal for entertaining. The dining space is enhanced by built-in storage units and a second feature fireplace, continuing the home's cosy and traditional aesthetic.

To the rear of the property lies the kitchen, which is clean and functional in its current form but would benefit from modernisation—offering a blank canvas for those seeking to personalise their living space. There is great potential to knock through into the dining room, creating a large, open-plan kitchen/diner that overlooks the rear garden—perfect for contemporary family living.

Beyond the kitchen, a lean-to area which provides access to the garden and a separate utility room.

Upstairs, the property continues to impress with two double bedrooms with fitted wardrobes, and a spacious family bathroom.
