## Description

This modern development of industrial and workshop units is arranged over 5 terraces with ample yard and car parking facilities.

Each of the newly refurbished units has access via commercial doors, as well as a separate personnel door. Internally, the units offer an open-plan workshop with a kitchenette and WC facilities.

The construction of the unit consists of a steel portal frame with profiled metal sheeting to the upper elevation under pitched roofs. The lower external walls are of brickwork construction with concrete block construction internally.

## Location

Mitchelston Industrial Estate is situated on the north side of Kirkcaldy, close to the East Fife link road, which is the main dual carriageway linking to the M90 (Edinburgh to Perth motorway). The warehouses are in the northern section of the estate on Midfield Road, which is accessed from Carberry Road or Mitchelston Drive.

Existing occupiers at Mitchelston Industrial Estate include a diverse range of commercial and industrial users, such as ASDA, Eurocell, Euro Car Parts, Dingbro, BMW, Kia, Volkswagen, and others.
