Offering versatile accommodation set over three floors comprising Entrance Hall, W.C, Garage with Utility area and Bedroom 4/Gym to the ground floor. A spacious and light filled open plan kitchen and living area to the first floor with a Balcony and being an ideal space for entertaining.

A Master Bedroom suite with Dressing Room and En-suite occupies the 2nd floor with two additional Bedrooms and a Jack and Jill Bathroom. To the outside is a block paved driveway leading to the Garage with walled and raised gardens borders. A passage with Boiler Room leads to a rear courtyard garden with undercover seating area and steps upto the Balcony.

Viewing is highly recommended to appreciate this fabulous contemporary house. EPC Rating C.

OPAL HOUSE

Built around 2007 to a very high specification, this stunning contemporary designed property has many extra features which include A Lutron Homeworks interactive lighting control system which is integrated to all three floors with one switch to turn all the lights off when leaving and settings to suit the mood required from reading and entertaining to cinema style.

There is Underfloor heating throughout with temperature controls to every room or main areas served by a Viessmann gas central heating boiler (new December 2024). All the external doors and windows are triple glazed with pvc windows and hardwood entrance door. The ventilation system to the upper floors supplies fresh air to dry rooms and extracts stale air from bathrooms and Kitchen. There is also an air conditioning unit (hold/cold) to the main living room. The property also benefits from an Integrated alarm system with CCTV cameras.
