Bedroom 2 15'3" x 9'7"

Entered through an upper glazed bi-fold door, dormer window to rear elevation with double radiator underneath, ornamental fireplace, built in wardrobe, carpeted flooring and access via loft ladder to a fully boarded attic which also has lighting.

Ground Floor Bedroom 3/Study 10'5" x 10'10"

Window to front elevation, ornamental fire place with hearth, storage cupboard with hanging rail, carpeted flooring and double radiator.

Upstairs WC

Situated on the top floor between both bedroom one and two providing an essential upstairs WC with small sink, having vinyl flooring and a sloping ceiling.

Outside Front and Left Side

There is a gravelled driveway large enough for two cars, having to the left side; a paved sloping disabled access walkway with dwarf wall either side leading to the front entrance. To the front there is a wrought iron railing which then continues around the corner with a tall private hedge along the public footpath, the property can be entered also through a low level picket gate leading up a pathway to the left side of the property which continues through to a taller gate around to the rear of the property having an additional shed with oil tank behind and further paving.

The gardens to the front left side are beautifully presented, made up of several mature trees and shrubs, vegetable patches, shaped lawn being separated by a pea gravelled twisted pathway, a greenhouse and a wooden shed. (The Poly Tunnel is not staying) There is also on left side close to the property a large patio for alfresco dining, water harvesting butts, external metal cabinet housing the oil fired central heating boiler and an outside tap.

Outside Rear

The rear garden is in a triangular shape and is mainly laid to gravel making it low maintenance, having paving and

decking area from the conservatory and an additional small summer house styled shed.
