IN THE AGENT'S OPINION THIS IS THE BEST CHARACTER PROPERTY CURRENTLY AVAILABLE WITHIN THIS PRICE BAND

This beautifully presented and distinctive home seamlessly combines modern amenities with charming character features. Originally a Georgian stable block, it was converted into ten mews houses in the 1980s. The property is accessed via a communal octagonal courtyard, leading to the front door and entrance hallway.

The kitchen features cream wall and base units paired with a stunning wooden countertop and is equipped with a range of integrated Miele appliances. Currently, it accommodates a four-seater table and chairs and is laid with tiled flooring. The spacious sitting room boasts a brick fireplace with a functional chimney, creating a cosy focal point. Wooden flooring adds warmth to the space, while a French door opens onto a private terrace via a set of steps.

On the first floor, the landing features a striking half-circle window, offering scenic views across the landscaped parkland and toward the River Stour. The generously sized master bedroom enjoys beautiful views and comes with a built-in wardrobe. It is serviced by a fully tiled ensuite bathroom with a shower, basin, and WC. A second bedroom on this floor accommodates a double bed and also includes a built-in wardrobe. The family bathroom is fully tiled and features a bath with an overhead shower, a basin, and a WC.

Ascending to the top floor via an ornate metal spiral staircase, there is a third double bedroom adorned with exposed wooden beams and illuminated by two Velux windows, filling the room with natural light. This bedroom benefits from a fully tiled ensuite shower room with a white suite, including a shower, basin, and WC. Completing the accommodation on this floor is a mezzanine landing, boasting a vaulted ceiling. This area could serve as a home office.

Outside, the property is accessed via a private gravel driveway, offering lovely views of the surrounding manicured parkland. The home also benefits from a private southwest-facing terrace, ideal for outdoor dining, along with a larger-than-average double garage equipped with loft storage, lighting, and power. Ample visitor parking is also available.
