This floor plan should be used as a general outline for guidance only and does not constitute in whole or in part an offer or contract. Any intending purchaser or lessee should satisfy themselves by inspection, searches, enquiries and full survey as to the correctness of each statement. Any areas, measurements or distances quoted are approximate and should not be used to value a property or be the basis of any sale or let.

Behind a peaceful, gated mews in the heart of Finchley, this architecturally distinctive detached home is offered for sale through Loporto Browne Residential.

Originally built in the late 19th century as a local dairy, the property later served as office space before its transformation into a stunning residential home by Nick Baker Architects.

This unique three-bedroom freehold house is semi-submerged, with a spacious open-plan lower floor designed to maximize natural light. Bi-folding doors connect the living and dining areas to a private patio, perfect for hosting or enjoying quiet moments outdoors. The kitchen blends seamlessly with the space, featuring modern finishes and discreet spotlights. Additional

conveniences include a generous storage cupboard and off-street parking within the gated development.
