"A Road" high traffic volume position

Suitable for multiple uses STPP

Planning previously granted for 9 apts

Currently rented as a car wash

Currently receiving £30,000 pa rental

Site area 0.19 acres. EPC exempt

This ex petrol filling station is currently trading as a hand car wash and offers itself to a wealth of potential alternative uses due to its extremely prominent position along Chester road in Warrington (A5060).

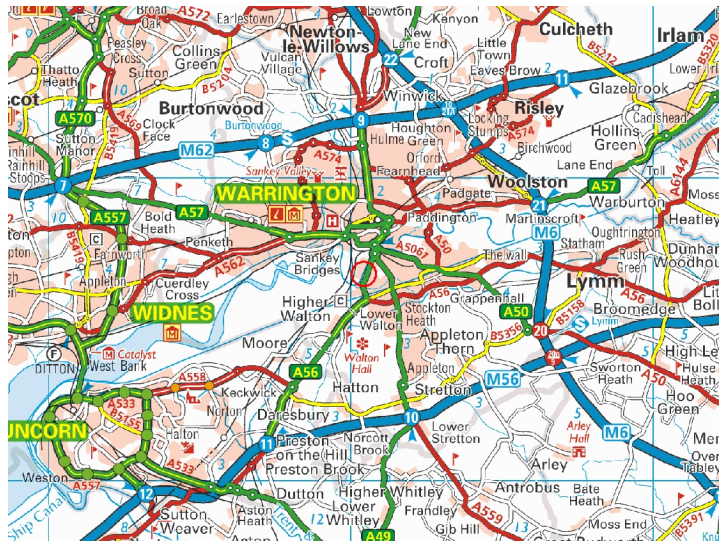

The site is currently let to a third party on a short term let basis and can be offered on a vacant basis or with the tenant in situ paying an annual rental of £30,000 per annum.

Historically the site has traded as a petrol filling station, shop as well as a car & van sales lot. Our client has advised that the site has previously had planning for 9 apartments which has now lapsed.

Location

The site is located along Chester Road (A5060) in Warrington and benefits from both an abundance of passing traffic and footfall owed to its prominent location, immediately surrounded by a densely populated residential area. The site is also situated close to various commercial premises which can compliment trade such as a large neighbouring office and a skin clinic.

Tenure

Freehold.

Customer Due Diligence Checks

The Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017 (as amended) require us to conduct due diligence checks upon all purchasers. When an offer has been accepted, the prospective purchaser(s) will need to provide, as a minimum, proof of identity and residential address; if the purchaser is a company or other legal entity, then any person owning more than 25% must provide the same. These documents must either be handled and copied by a Christie & Co employee, or certified copies be provided.
