ARE YOU LOOKING TO WORK FROM HOME?

Then have a look at this Grade II listed two bedroom semi-detached home located just a short walk from the centre of the picturesque village of Ticehurst, which comes with the added advantage of having a fantastic sized workroom that is currently used as a furniture restoration but could be used for multiple purposes.

As you enter the cottage, you will be immediately struck by its characterful interior. The sitting room is particularly inviting with its open fireplace, creating a perfect atmosphere for relaxing in front of the fire on those cold winter nights. The room also benefits from exposed oak flooring, a lovely ledge and brace door and exposed beams.

The kitchen offers ample storage space, has quality wooden worktops and has a fitted oven, hob and dishwasher. There is space and plumbing for a washing machine and under-counter fridge. On the ground floor there is also a bathroom, which is fitted with a modern white suite and tiled flooring.

Upstairs there are two bedrooms – one large double and a large single, which both benefit from having built-in storage.

The outside space of this property has a well maintained garden area to the side, plus there are also two store buildings and a large detached workshop, which may be ideal for anyone wanting a home workspace.

The area around Ticehurst is one full of stunning beauty and rolling countryside views, with plenty of outdoor activities available nearby including hiking, cycling, golfing and horse riding. There are also pubs, restaurants and tea rooms in the village itself as well as independent shops selling local produce. The nearby town of Tunbridge Wells provides further amenities including theatres, art galleries and leisure centres. With easy access to London by both rail and road, this really is a great location for anyone looking for a rural lifestyle without compromising on convenience.
