## FREEHOLD

This three/four bedroom detached chalet-style home offers a practical and well-balanced layout, along with all the features that make everyday living simple and comfortable. The property sits back from the road with a private driveway, lawned front garden, and a separate garage.

Inside, the ground floor includes a good-sized living room with a central fireplace and front aspect windows, giving the room a warm, comfortable feel. The separate dining room sits at the rear of the house and opens directly onto the back garden via French doors – ideal for meals that carry on outdoors in the summer. The kitchen is laid out in a functional L-shape, with plenty of storage and room for casual seating at the breakfast bar.

One of the bedrooms is located on the ground floor, making it a solid option for guests, a home office, or for those wanting single-level living. A WC completes the ground floor.

Upstairs, there are two/three further bedrooms and a family shower room, all set around a central landing.

The rear garden is a private space with a mix of lawn, patio and planting, offering a quiet spot to sit out or potter. The garage is accessible via a side path and adds useful storage.

This house sits within easy walking distance of Ticehurst village centre, with shops, a pub, and local amenities just minutes away. It's a tidy, well-positioned home with flexible living space and outdoor room front and back – the kind that doesn't come up too often in this area.
