A fantastic opportunity to purchase a two-bedroomed, mid-terraced property situated in the heart of Luton. The property recently went under full refurbishment in 2018 taking on life as a rental investment housing a tenant in situ paying £925 per calendar month, however, the rent agreed for similar properties in this area is around £1,200 p.c.m. The property is presented in good order with the accommodation extending to approximately 700 square feet and comprising a dining room, lounge, kitchen, downstairs bathroom and two double bedrooms to the first floor. Outside there is a rear courtyard garden. The property is to be sold with a tenant in situ who is currently on a periodic lease.
