GREAT ALNE
PARK

Inspired in Warwickshire

Just imagine coming
home to the countryside...

Just imagine calling Great Alne Park home...

We get a great deal of joy from doing things differently. Making homes of such superior quality, we know they'll be loved by generations.

And whether it's one of our beautifully appointed two or three-bedroom cottages, or a luxury two-bedroom apartment, each property at Great Alne Park has been thoughtfully designed and exquisitely crafted.

It's the diversity of architecture on offer that gives Great Alne Park its authentic village feel, designed to reflect the heritage and surroundings of this idyllic rural location.

We're proud of what we've created. And we think you'll be proud to call Great Alne Park home.

“
These are homes that get better with age.
They're filled with endless tiny details
that only reveal their importance
as we grow older... and what might have
seemed obsessive or indulgent suddenly
feels utterly indispensable.
”

Keith Cockell, Chairman

Just imagine having the space to create...

We understand that your kitchen is the heart of your home. That's why we've gone to great lengths to make sure that it's not only practical, but extremely stylish - somewhere you'll love spending time.

Making the best use of space and natural light, all our designer kitchens are built to the highest specification. Whatever your property type, we give you the choice of fixtures and fittings. You want composite stone work tops? No problem. An electric double oven? Consider it done.

Details:

Composite stone worktops with upstand (excepting utility rooms)

A range of high quality integrated electric appliances including an oven, combination microwave, ceramic hob, extractor hood, fridge/freezer, washer/dryer and dishwasher

Stainless steel sink

Ceramic floor tiles

YOUR LIVING ROOM

Just imagine time with the grandkids...

Sitting alongside the kitchen in the heart of your home, the generous lounges and dining areas feature large windows and balconies that welcome the natural warmth and light of the Warwickshire sun.

Storage is carefully considered and cleverly concealed, whilst widened doorways and flexible open-plan living areas help to create a sense of space and serenity, ensuring ease of access.

YOUR BEDROOM

Just imagine waking up every morning and smiling...

What better way to start the day than waking up in an environment that delights and energises the minute you open your eyes?

All of our homes feature en-suite bedrooms and most have fully fitted or walk-in wardrobes providing ample storage space. But it's the little things that make a big impact - for example, we've thought that little bit harder about the accessible yet discreet positioning of every single socket and switch. Whether you choose a cottage or apartment home, each bedroom is positioned to enjoy the best possible views of the surrounding area.

This is where restful nights become days filled with inspiration.

Just imagine the
pamper sessions...

Whether you're preparing for the day ahead or unwinding under the soothing streams of a great shower, our en-suite and stand-alone bathrooms and easy-to-use wet rooms offer a unique combination of style, practicality and tranquillity.

But it's not just the elegant design and superb fittings you'll appreciate - once again, it's all those small details that can make life feel so much simpler. Enclosed showers with shallow trays are safe and accessible, and there is plenty of built-in storage to hide away all your cosmetics and clutter.

Details:

- Elegant white sanitaryware from Villeroy & Boch and Kaldewei with complementary fittings by Hansgrohe
- Ceramic wall tiling; full-height to shower rooms and half-height to bathrooms
- Ceramic floor tiles
- Fitted mirrored cabinet
- Electric shaver point

YOUR GARDENS

Just imagine being inspired by nature...

Each home at Great Alne Park is carefully positioned around gardens, courtyards and small squares; offering charming views across the village, whilst making sure there's always somewhere to feel the grass between your toes in the summer months.

But despite the tireless work of our talented gardeners, it's beyond the village gardens in the sprawling parkland and historic woods where you'll find some of the most breathtaking natural beauty that Britain can offer.
