MIDDLEWOOD
LOCKS.**

An architectural rendering of a modern residential development. The scene features a canal in the foreground with several ducks swimming. A paved walkway runs along the canal, where many people are walking, sitting on benches, and cycling. In the background, there are several multi-story apartment buildings. One building is made of red brick, another is a mix of brick and light-colored panels, and a third is a taller, more modern structure with a grid-like facade. A ground-floor commercial space with large glass windows and a red brick facade is visible, featuring a large 'M' logo and the text 'MIDDLEWOOD LOCKS'. The sky is blue with scattered white clouds.

WE THINK YOU'LL LIKE IT HERE.

Middlewood Locks is a city neighbourhood with community at its heart.

Over 2,000 residents currently enjoy its friendly, buzzy, city-village vibe. Unlike anywhere else in the city, Middlewood Locks enjoys generous public open green spaces and a beautiful waterfront setting. The much-loved Seven Bro7hers Beer House, Co-op store and 92 Degrees coffee shop are set to soon be joined by more restaurants, shops and bars as the neighbourhood continues to flourish. And it's all within a short walk to Spinningfields, Salford Central train station and the city centre.

SPACE, LIGHT AND IMMACULATELY MAINTAINED.

SOMETHING FOR **EVERYONE.**

Make it a place to unwind. Make it a place to enjoy.

Middlewood Locks is an enjoyable place to be. With plenty of space to relax, areas of greenery, interesting walking routes and canalside beauty, it promotes a healthy and enjoyable outdoor lifestyle.

And after the exertion of some canalside strolling, or taking the bike to explore any of the cycling routes which run through the locks, you can always replenish plentifully at Seven Bro7hers, a firm favourite amongst the community here.

A PLACE FOR PEOPLE TO LIVE, WORK AND ENJOY.

Middlewood Locks is a true neighbourhood, a city-village with people and their wellbeing at its heart.

The community here is warm, welcoming and as you'd expect from Salford and Manchester, full of personality.

Toni Griffith

Manager, Seven Bro7thers

“ I'm really enjoying watching the community being created around us, and it is fantastic to be a part of that. Being on the canalside in such a picturesque location, in fact it's the perfect location for our beer garden! I'm excited to watch Middlewood Locks grow and develop over the next few years. ”

James

Resident

“ My time at Middlewood Locks has been incredible. It started with the extremely friendly and helpful sales team. They made everything easy and enjoyable. I couldn't be happier with the area. It is close to the city centre, transport links and places to socialise. With the future of Middlewood Locks only set to expand and become better, I am excited to see what is to come. ”

MEET OUR COMMUNITY PATIENCE & ALISON.

“We found an amazing community at Middlewood Locks. Even though you live in separate apartments, you don’t feel alone.

There are people all around, having a chat while walking along the canal paths which are fantastic for dogs and dog walkers. We feel a constant sense of community with the people living around us. People look out for each other, which you can see on the community Facebook groups. Neighbours are keen to help each other out and really care for each other’s safety and security. Even at night it’s safe to walk around.

We chose Middlewood Locks because of its excellent proximity to the city centre. Then we realised how convenient everything here is; the Co-op is great especially when you need some last-minute groceries and there’s no time to go to the supermarket. Inside the apartment, the layout is really smart. It has been built in a way that maximises and opens up the space, while giving you a warm and welcoming atmosphere. All the appliances are really modern and saved a lot of money when we were moving in.

Something else that took the stress out of moving in to Middlewood Locks is the fact they provide a two-year aftercare service. They include this in the purchase price, which is unlike most developers. The marketing and sales team were so nice and helpful and now the neighbourhood team are great. They take real care of maintaining the communal spaces.

Overall, we love living here. We’re excited to see Phase 3 arrive and to watch the Middlewood Locks community grow.”

CALMLY CONNECTED TO THE CITY.

Middlewood Locks canalside location is perfect for people seeking a peaceful neighbourhood that's closely connected to the city core.

It provides a rare quality for those who want to enjoy city life with a difference: calmness. Just far enough away from the hubbub, bright lights and noise to feel like a sanctuary, but still close enough for it all to be within strolling distance.

It's an impeccably well-connected gateway neighbourhood, close to Spinningfields, St.Johns, New Bailey and Castlefield and the many bars, businesses, restaurants, shops and world-class cultural experiences within the city centre.

MEET OUR COMMUNITY NOSHEEL & BLAZEJ.

“While the canal and beautiful landscaping is undoubtedly stunning at Middlewood Locks, the real heart of the community lies in the people.

The development is a melting pot of diversity, personalities and welcoming charm. While proudly sitting in Salford, it is situated only minutes from Spinningfields and Castlefield but manages to maintain an independent peaceful quality.

Our buying process was surprisingly smooth, made all the better by the very personable customer service from Julie and Mary. Nicola and her team definitely helped make the decision easier. Their work is now to continue to nurture Middlewood Locks without losing the essence of community.”

MAKE IT IN MANCHESTER.

Manchester has firmly established itself as the largest regional economy outside London and regularly tops the charts as being one of the most desirable places to live in the UK.

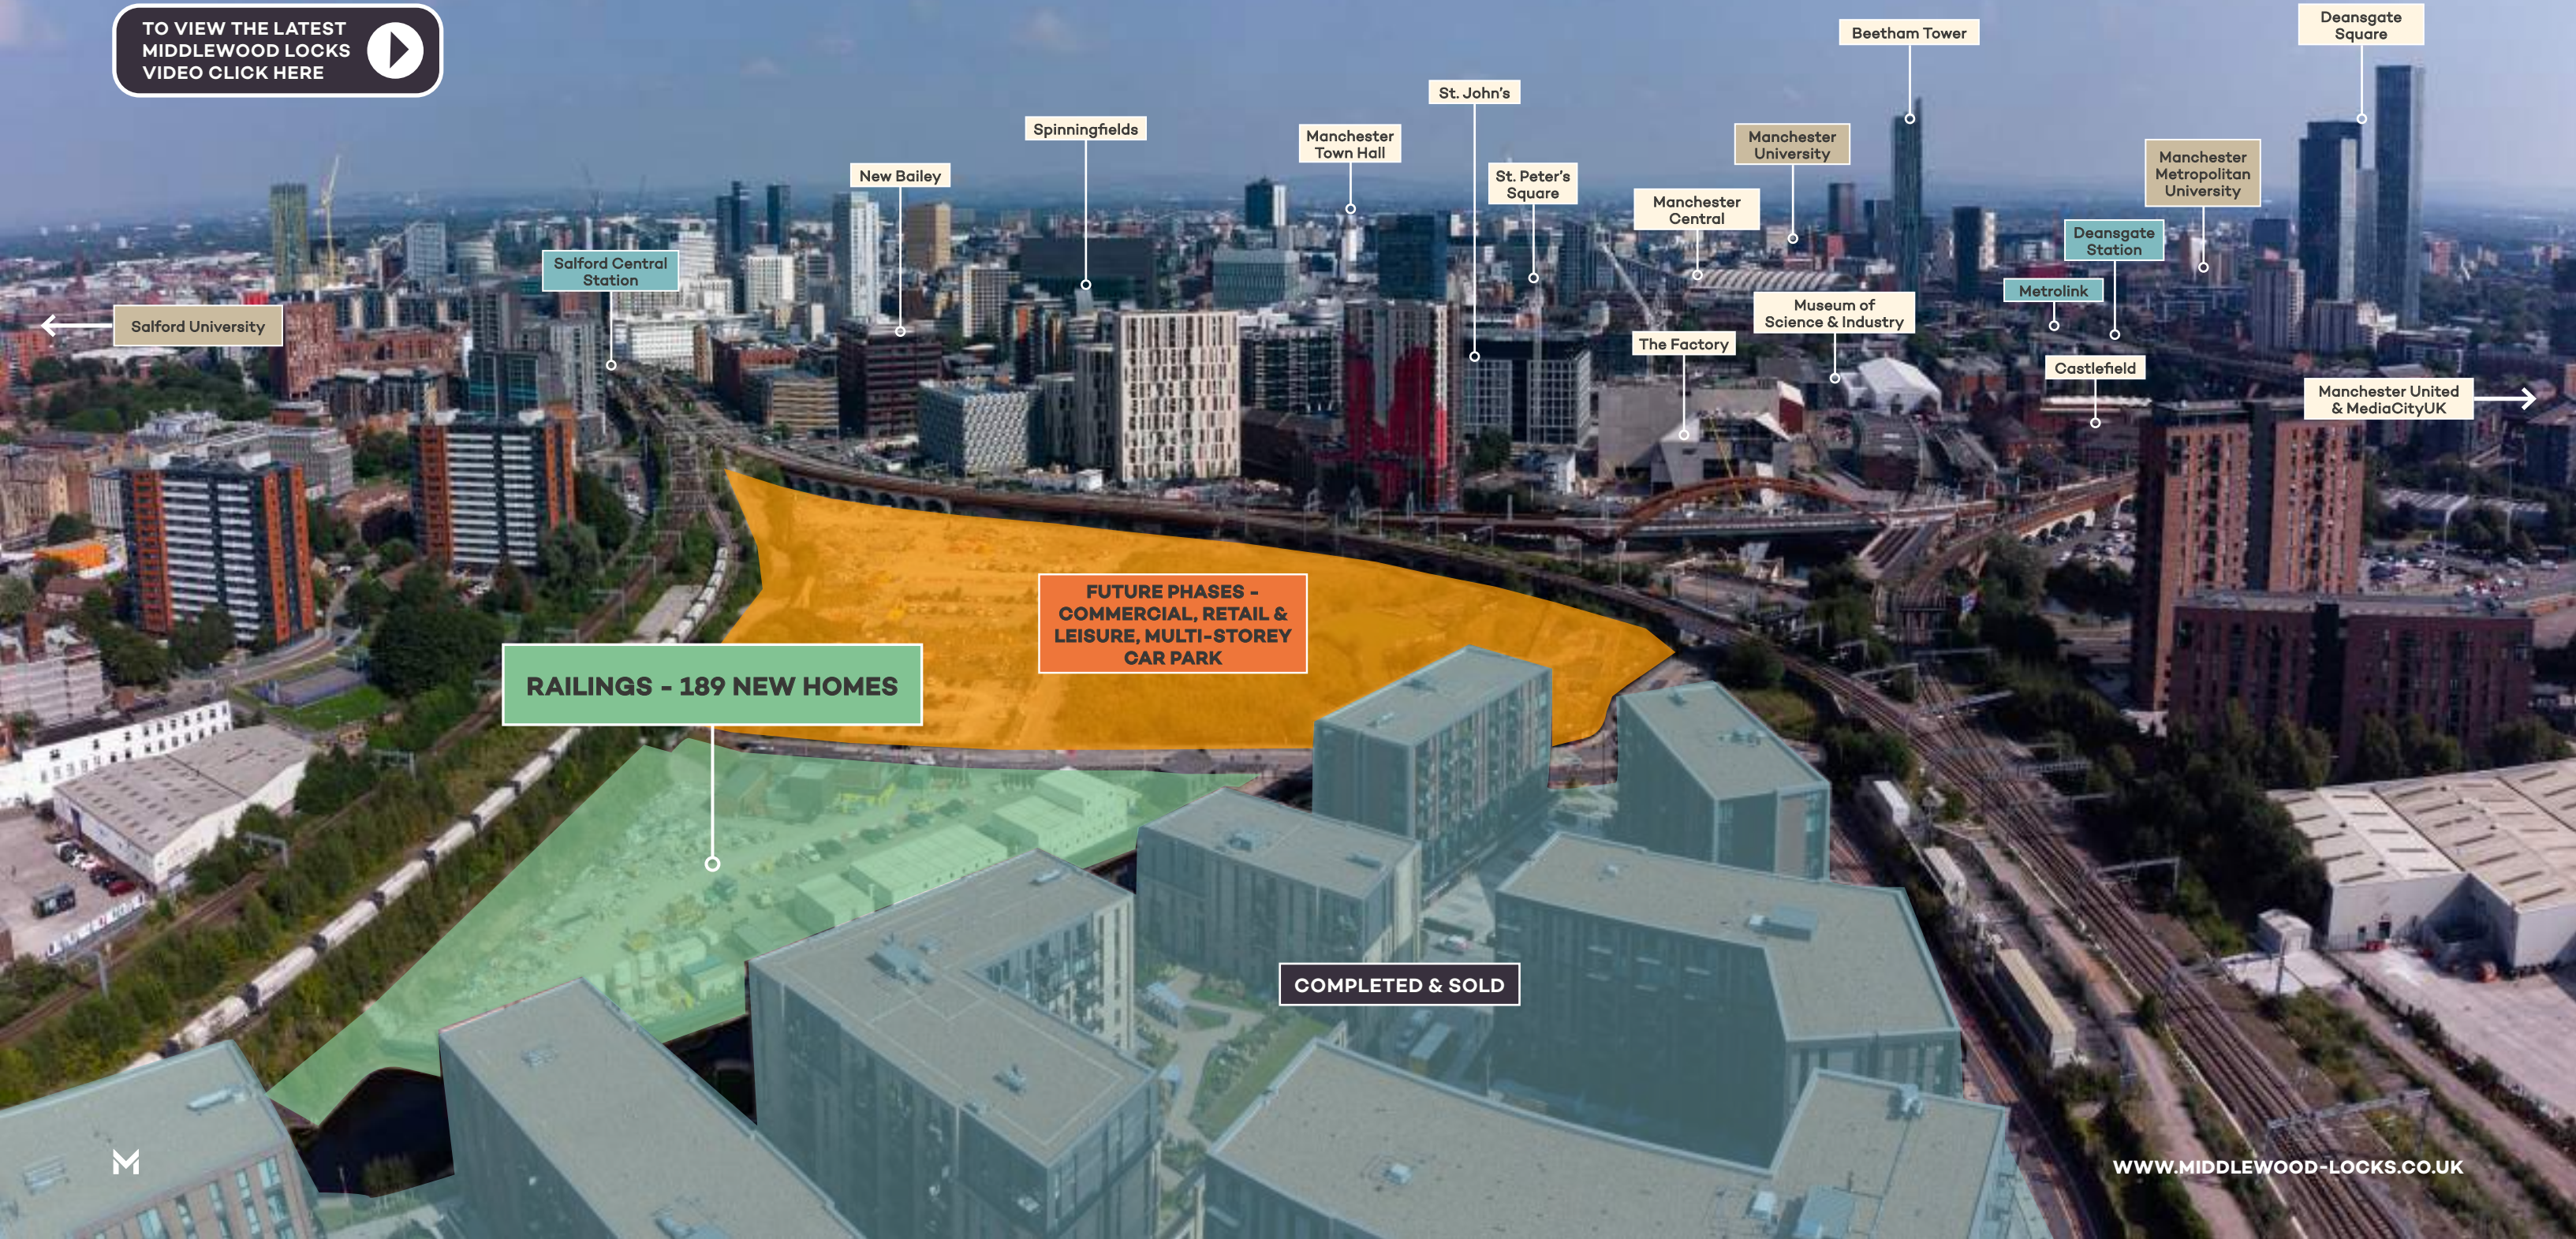

Businesses and residents alike are attracted by its reputation as a competitive place to do business, thriving sporting and cultural scene, excellent retail and leisure facilities and highly-skilled job opportunities.

Manchester also has the second highest graduate retention rate of any UK city and almost two thirds of the graduates who grew up in the city but left to go to university return to the city to work, bolstering its already-enviable talent pool.

MEET OUR COMMUNITY JORDAN & NICK.

“Middlewood Locks is a fantastic place to live, from the moment we moved in the sense of community has been growing.

It's great to have access to green space and the tranquillity of an urban neighbourhood as well as being in close proximity to the city centre with areas like Spinningfields and Castlefield on your doorstep. The properties on offer are of such high quality with real thought being given to how people will truly live in and around them; having conveniences such as the Co-op and Seven Bro7hers as built in features really gives the development its own identity.”

DESIGNED WITH THOUGHT, DESIGNED FOR LIFE.

Railings has been thoughtfully designed within the context of the local area, with traditional brick construction and stylish detailing, like crittal effect windows in the townhouses, it has a modern classic look.

The open and inviting public realm is already hugely popular amongst the existing community at Middlewood Locks and Railings will add to this. It's an exciting addition to a neighbourhood made for mingling. The layout of the buildings encourages social interaction and the abundance of uncrowded outdoor space, which is light and calming, is a real rarity in the city.

Railings has exceptional homes and outstanding amenities for residents. All apartments have a high specification with a modern open plan living area, making the most of the natural light and creating stylish, functional and relaxing living spaces.

Likewise, the impressive residents lobby lounge is a welcoming and versatile spot which will be great to meet your neighbours for a coffee and a catch up' omit 'or an ideal working from home space. And for when you can't be at home there's peace of mind that the purpose-built post room provides safe receipt and storage for those all-important deliveries.

MEET OUR COMMUNITY DAVID.

“I’ve been living in Manchester and renting in different areas of the city for 5 years now, and decided it was a good time to buy my first apartment.

I decided on Middlewood Locks for the obvious, great location and only a 5 minute walk to the city centre, gyms and shops close by and the apartments themselves had the best layouts of any I’d viewed.

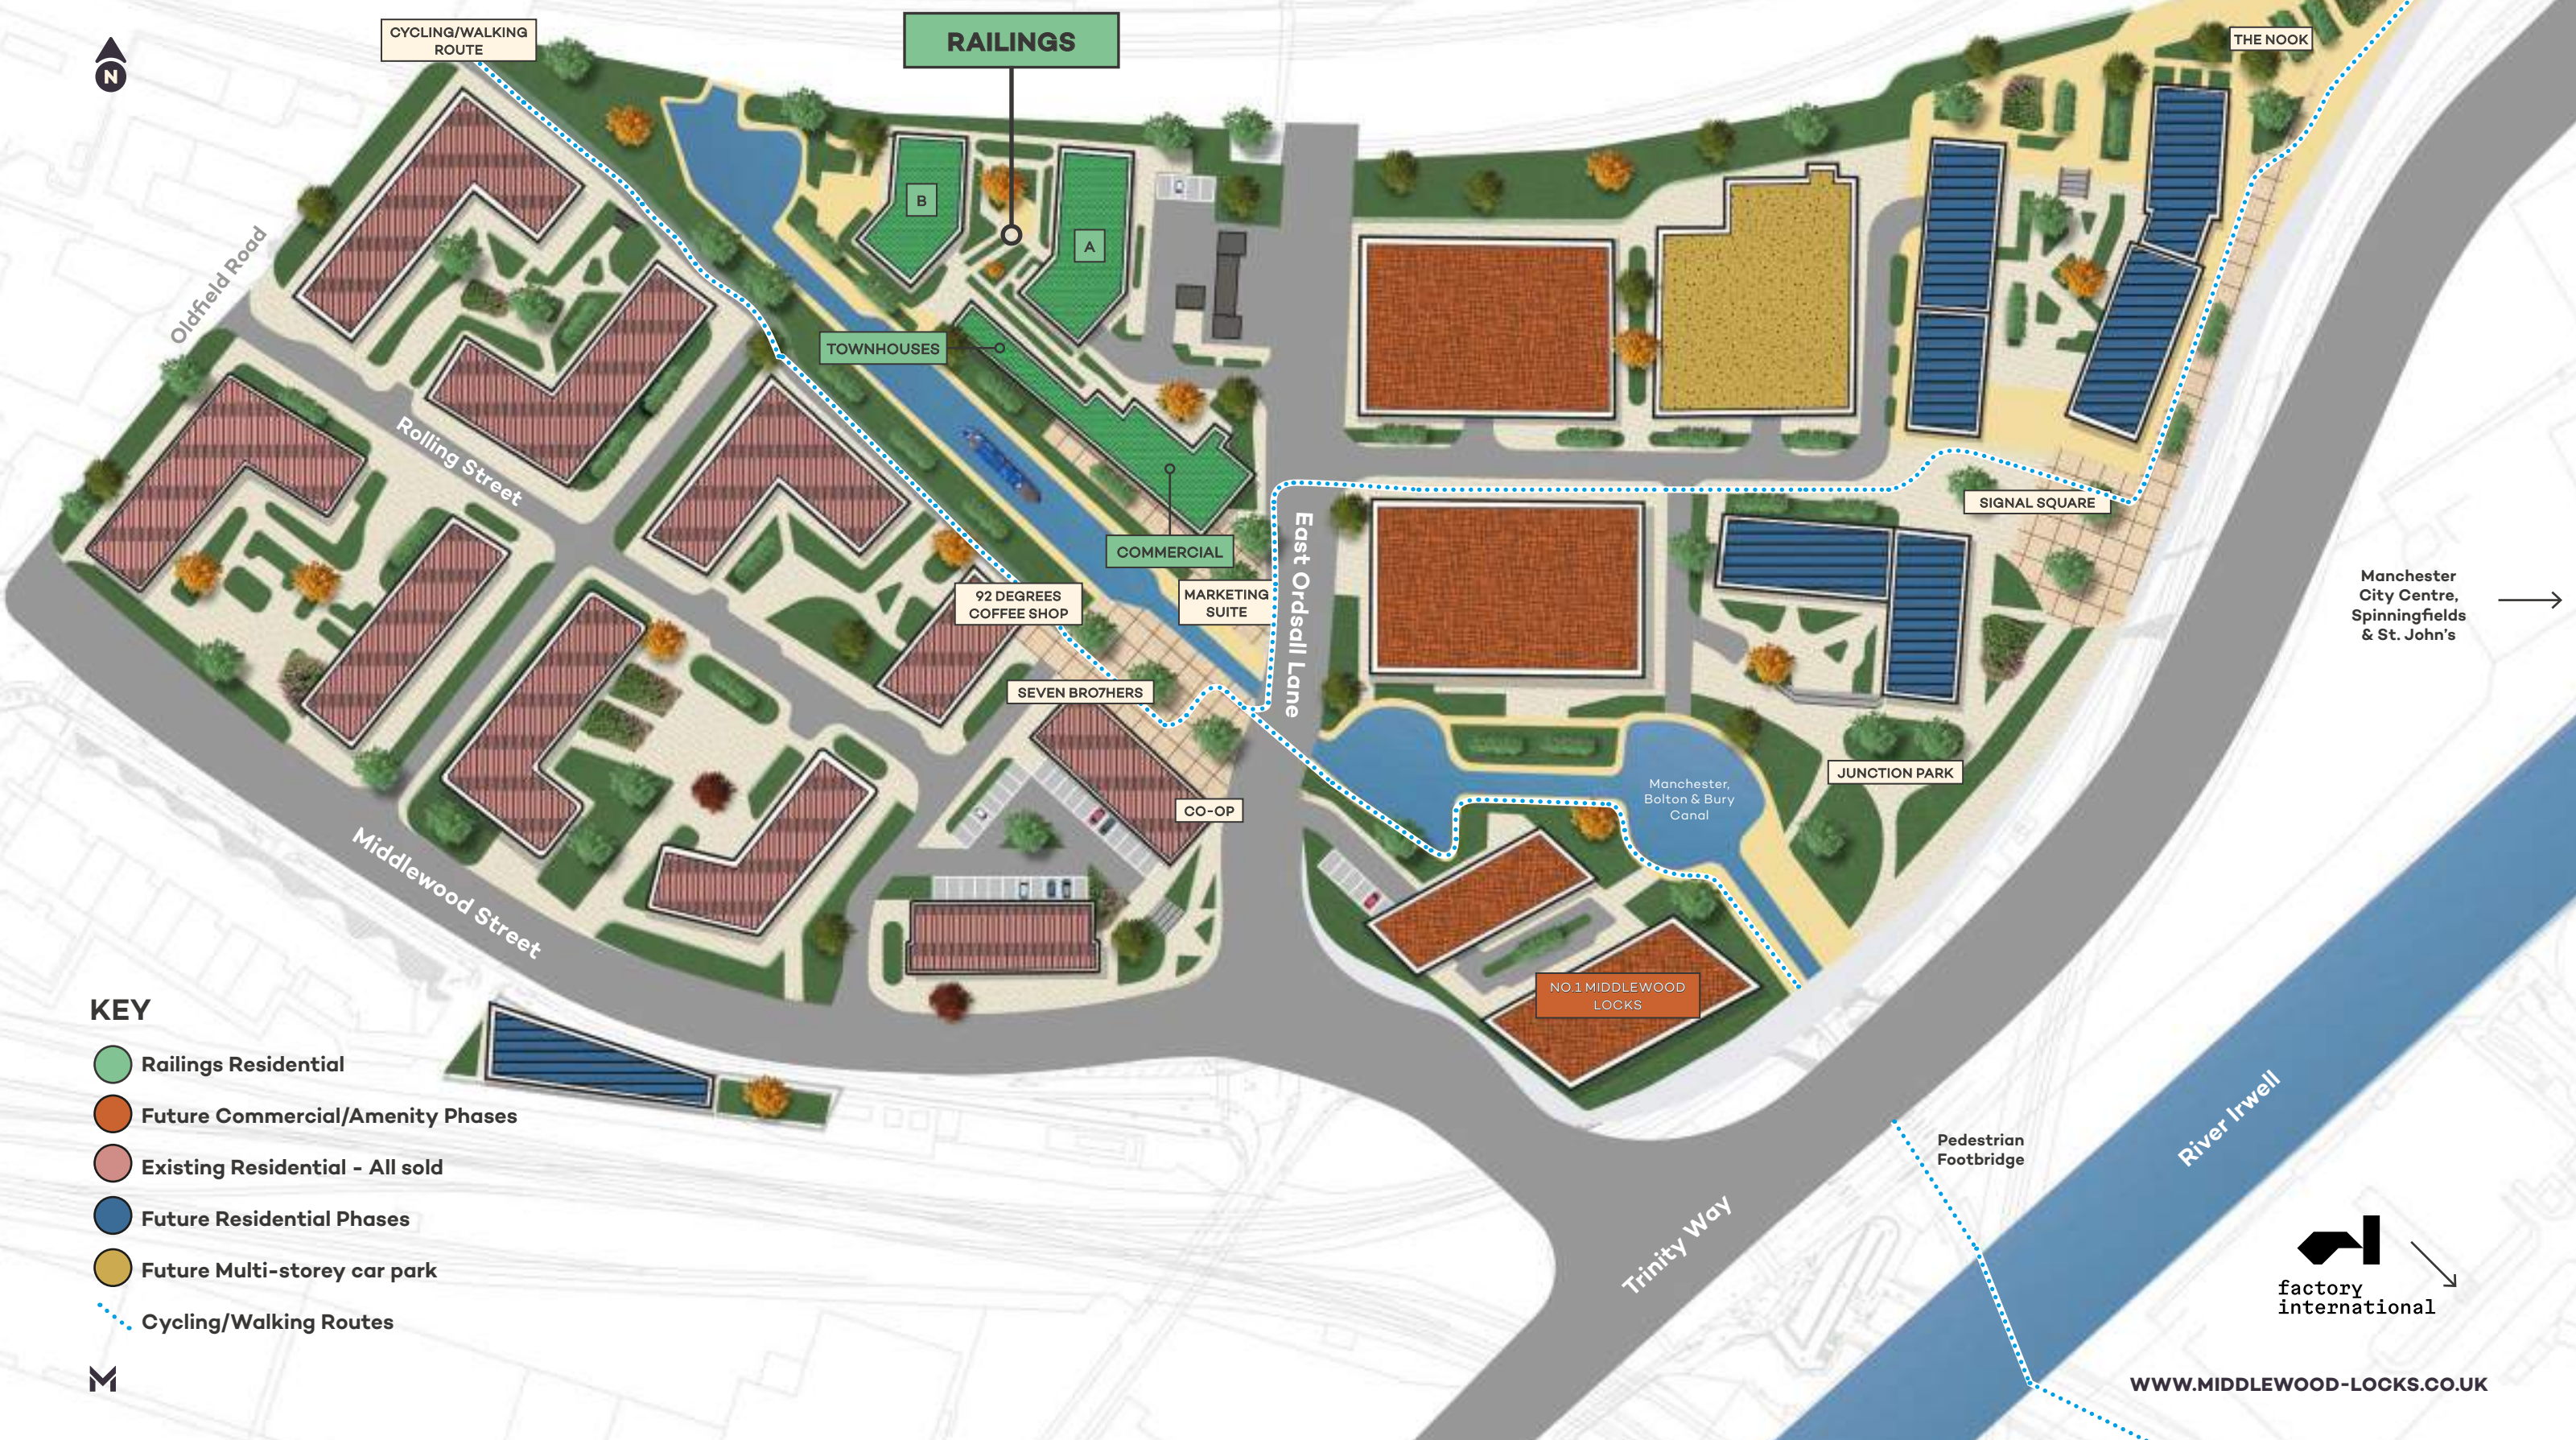

After moving in October 2020, I realised that I’d chosen a place to live with an incredibly friendly and collaborative community, where everyone helps each other out and the energy around Middlewood Locks is always positive.

I’d highly recommend living here, and I’m looking forward to meeting more of the community.”

PURCHASE PROCEDURE.

1. Select the property of your choice from the price list. In order to reserve your new home you will need to complete the following:

- A reservation form (please make sure you put the names of the buyers who you want the contract to be issued in).
- An identification checklist (please note you will need to provide two forms of identification, one with a photo such as a driver's licence or passport and one with your current address such as a utility bill).
- A purchaser checklist.

Once all of the reservation paperwork is completed you will need to pay a reservation fee. If you would like to purchase a car bay there is an additional reservation fee. For further details please refer to the reservation form. Payments can be made by credit card, debit card or bank transfer.

2. Once we have received a copy of your completed reservation paperwork and reservation payment we will instruct our solicitor who will send out a contract pack to your solicitor. The reservation fee takes the property off the market for the agreed reservation period. The developer's solicitor will liaise with your solicitor during the reservation period and ensure that they have everything they need in order to progress the reservation to exchange.

3. On exchange of contracts you pay the balance of your deposit monies less your reservation fee, details of which will be documented on your reservation paperwork along with the date for exchange. Please note once contracts have been exchanged you are legally bound to complete on the purchase and your solicitor will advise you accordingly.

4. Once your property is ready for occupancy we will serve a 10 day notice giving you notification that you need to complete the purchase. The notice will be served through our respective solicitors.

5. On completion, when the balance of the monies have been paid to our solicitor, we will contact you to arrange a demonstration and handover of your new home. Alternatively, you can elect for someone to do this on your behalf by confirming in writing to us.

Welcome to your new home!

MAKE IT EASY. DELIVERED BY A TRUSTED PARTNER.

Scarborough Group is one of the UK's largest, privately-owned, regeneration specialists. Over the last six decades, we have grown from a UK-based real estate company into a global organisation with an award-winning portfolio of mixed-use projects.

In the UK alone, we have delivered 6.3m+ sq ft of commercial space and 1,400+ residential units, with a GDV totalling more than £4.5bn and a further £4bn in the pipeline.

As a family-led business we put places, people, businesses and relationships first. Our mission is to create inspiring spaces for people to live, work and enjoy. We curate the built environment to support the wellbeing of the occupiers leaving a lasting and positive impact on the communities, stakeholders and environment.

Partnerships

From occupiers and suppliers, to local government and local communities, we take time to form lasting relationships with the faces behind the names

of everyone involved with the developments. We understand that the success of our schemes is as important to our stakeholders as it is to us.

This alignment provides a deeper understanding of their motivations which, in turn, enables us to create places that not only better reflects the stakeholders' needs but also leads to optimal business outcomes.

Communities

Delivering outstanding, mixed-use buildings is only part of what we do; the scale of our developments allows us to create something truly unique.

By integrating highly-functional properties with a rich on-site amenity offer and relaxing open spaces that promote wellbeing and success, we are able to provide enduring and sustainable communities where businesses and people can flourish.

Legacy

We recognise that the buildings we develop will leave a lasting legacy on the local communities and environments around them, which is why we are driven by our desire to deliver transformational schemes that facilitate long-term change.
