Why Invest in Manchester?

As the UK's second-largest economy, Manchester leads the way in finance, professional services, and the creative, digital, and tech sectors. It boasts the largest private equity community outside London, a GVA of £62.8 billion, and is projected to grow by 45% between 2016 and 2036. With a booming commercial property market and increasing demand for high-quality rental accommodation, Manchester is an unparalleled investment destination.
