Description

This beautiful code 5 sustainable home has vast accommodation set over three floors which provides a large entrance hallway that leads into the bright and open kitchen diner; this room enjoys bi fold doors that over look the garden and integrated appliances. On the ground floor you also have a w.c and access to the integral garage. The first floor enjoys a double bedroom, family bathroom and the main reception room. The balcony is accessed from the reception room and also enjoys views of the garden. The top floor has two double bedrooms the master with en suite bathroom. Throughout this unique home you have many features and designer touches, including high ceilings and floor to ceiling windows, creating a bright and airy space to live. To the front of the property there is off street parking and a drive that leads to the garage The rear garden is approx. 60 ft.

Situation

The property is well positioned off Church Road and was built within the past 7 years, it has great transport links minutes away connecting you to Hayes Town, Uxbridge Road and Long Lane. The Hayes & Harlington Station is close by which is soon to be transformed into Crossrail (pending) which allows quick and easy access to inner London. Amenities, shops and local schools are also within walking distance.
