## OVERVIEW

Baker's Yard is an exciting creative space of light industrial and warehouse buildings, office suites and hybrid units, situated on the site of the original Greggs Bakery in Gosforth, Newcastle upon Tyne.

The park is nearing development completion, with over 80% of the available space already occupied or committed to an eclectic mix of incoming businesses.

Unit sizes at Baker's Yard vary from 947 sq. ft up to circa 12,000 sq. ft (across multiple units) and the site is set in a highly accessible location, close to Gosforth High Street and the Great North Road. Ample parking for over 200 cars is available across the entire site.

Baker's Yard is suitable for a variety of industrial, storage and office uses, subject to planning. Recent creative plans to bring the park's personality to life have been approved by city planners. These proposals include the addition of metal shipping containers, striking branding, wayfinding, rooftop terraces serving as breakout spaces for certain units, a secure bike storage area and bicycle repair shop and café to serve the hundreds of staff working on the park.

## ABOUT

Baker's Yard is a large site made up of office, warehouse, storage and industrial buildings, owned by Adderstone Group, on the site of Gosforth Industrial Estate.

The site incorporates four main buildings; The Stottie Shed (the original Greggs Bakery), The Confectionery Store, The Chiller and The Pantry.

The whole site encompasses over 90,000 sq. ft of office, warehouse and industrial space.

In recent months Baker's Yard has welcomed an eclectic mix of clients including Document Solutions, Solarglide, Verisure and JC Consulting, plus many more.

# BAKER'S YARD

The entire site of Baker's Yard comprises a series of buildings, some interconnected, all of similar construction with steel and concrete frame. External walls with brickwork render. Spaces can be reconfigured to suit requirements.

## ADDING A LITTLE BIT OF PERSONALITY

An integral part of bringing Baker's Yard's personality to life has recently been approved in the form of a striking branding and wayfinding proposal, rooftop terraces serving as breakout space for certain units, a bike storage area and bicycle repair shop which is being offered up as a commercial venture, as well as a café serving staff on the park. The plans are designed to make Baker's Yard a 'destination' business park for businesses and their clients alike.

The additions will comprise the introduction of a number of shipping containers, decorated with associated branding, positioned strategically across the site. Some of these will also be available as storage units for tenants.

## ABOUT

### THE BAIT ROOM & THE BIKE SHED

There is an opportunity for a street food vendor or café to operate from the container located in the centre of the park serving the many hundreds of staff in the immediate vicinity. The café container will be circa 500 sq. ft plus rooftop terrace and outside space.

There is also a container within the park which is dedicated as a secure bike store. There is an opportunity for a commercial operator to operate and manage a bicycle repair shop from this location, this space is circa 250 sq. ft.

We urge commercial operators interested in finding out more about the café and bicycle repair shop opportunities to get in touch as soon as possible.
