We are delighted to bring to the market as SOLE AGENTS this very smart and extended three bedroom semi-detached family home.

It is situated close to both Edgware and Mill Hill Broadway, and there is a walk-way just around the corner which is a great short-cut leading to Station Road and very close to the station.

Having already been extended at the rear of the ground floor, the property offers great potential to do as many of the neighbouring house owners have, and add a substantial loft extension, STPP.

With a good sized garden, a garage, and off street parking, this is a very keenly priced property, and we would recommend viewing as soon as possible.

It is also worth noting that the the sellers have secured their onward move, so their upper chain is complete.
