This impressive seven bedroom detached home, with an additional two bedroom guest house, is set behind a carriage driveway within one of the most prestigious locations in North Leeds.

This impressive elegant family home is set behind a carriage driveway and double electric gates within one of the most prestigious locations in North Leeds. A true entertainer's dream; interior designed to a luxurious standard without any compromise to functionality, this home provides a perfect blend of luxury, technology and purpose.

Designed by a collection of interior designers, this home has been extensively refurbished with the highest quality fixtures and fittings including Sylka carpets, designer wall coverings and bespoke oversized doors. This smart home is substantially supported by Control4 technology and aligned with an internal Samsung telephone system making it one of the most technically assisted properties in the area. This home includes all the facilities you could imagine; Bar, Cinema, Gym, Pool, Utility kitchen, Staff quarters and a Spa area.

Entering into the property you will find a grand reception hall with a sweeping staircase and bespoke seating. Beneath the staircase is a cleverly concealed pocket door which can be opened up to transform the space when entertaining. 180 degree hinged doors lead to a stunning entertaining reception space with sitting area and inset illuminated display shelving.

A showstopping bespoke bar area designed by renowned interior designer, Stephanie Martinovic of Uffizzi Interiors, boasts restaurant grade Igloo wine system, a commercial glasswasher and custom Pegasus white granite bartop with inset Champagne ice trough.

The dining room, continuing from the formal lounge, is an elegant and tranquil space which can comfortably seat sixteen, and can also be accessed from the kitchen via an electric pocket door.

A real feature of this home is the luxury cinema room with hand stretched black faux suede wall and ceiling coverings, galaxy star ceiling panel, boutique cinema style lighting, five fully reclining chairs and a custom daybed.

The Mark Wilkinson kitchen really is the heart of this home and features American black walnut units with polished stainless steel inlays and Silestone countertops. An impressive central island, set in cosmic black granite with breakfast bar, features a Gaggenau electric hob and built in chopping board. Included are high quality appliances; two Gaggenau ovens, a Sub-Zero fridge/freezer, two Fisher and Paykel drawer dishwashers and two boiling water taps. There is a concealed butler's pantry providing additional carefully planned storage.

This sociable space encompasses a substantial dining area, a comfortable sitting area/snug with Bi-Folding doors giving access to the rear terrace.

The kitchen leads to a family tv room with an imported stained Spanish oak feature wall, electrically operated blackout blinds and Bi-Fold doors lead to the rear terrace overlooking the swimming pool.

An inner hallway leads to a home office/further reception room, a second kitchen with a range of integrated appliances and a ground floor bedroom with ensuite shower room which is ideal for a housekeeper. A side entrance hall gives access to a double garage with automated doors, the plant room and a gym with mirrored wall, changing room and a steam room with aromatherapy system.

The spacious first floor reception landing area has a panoramic window overlooking the rear garden. The principal bedroom suite really offers the perfect room to relax with a sitting area, a luxury ensuite bathroom with two showers, twin sinks and Jacuzzi bath, a balcony and two dressing rooms.

There are two further double bedrooms with ensuite shower rooms and another bedroom which is currently used as a home office fitted with a kitchenette/tea station and sink.

To the second floor is a landing area and two further double bedrooms, both with dressing areas and ensuite shower rooms.

The outside area has been meticulously planned to take full advantage of the south west facing aspect with feature lighting, a full width terrace with electric awnings, artificial lawn and a heated swimming pool with electric cover. There is an outstanding outdoor entertaining area featuring horseshoe seating enjoying both overhead and foot warming heaters, outside kitchen with Sub-Zero appliances and BeefEater BBQ. A large Hot Tub with a hard electric cover and LED outdoor cinema screen complete the sensational outside space.

Pine Lodge, located to the rear of the plot, offers self-contained accommodation, ideal for guests or dependent family members. There is an open plan living kitchen and two double bedrooms both with ensuite shower rooms.

Alwoodley is ideally placed with excellent road links to Leeds City Centre, the spa town of Harrogate, market town of Wetherby and historical City of York. Leeds Bradford Airport is located just eight miles away and there are also rail links to Edinburgh, London and Manchester. Roundhay Park, one of the largest city parks in Europe, is only a five minute drive away and the popular Grammar School at Leeds, as well as highly regarded primary schools are within walking distance. Greenside is just a short distance from beautiful green belt countryside. There are six golf clubs nearby, including championship courses Moortown and Alwoodley.

SERVICES - We are advised that the property has broadband, mains water, electricity, drainage and gas.
