

HORWICH, BOLTON

# Viscount Green

An Arts & Crafts inspired development of stunning 1, 2, 3, and 4 bedroom homes, designed for contemporary living.

## The development

Introducing Viscount Green – Eccleston Homes' latest selection of 1, 2, 3 and 4 bedroom homes designed in our signature Arts and Crafts inspired style.

Situated a stone's throw from the 10,000-year-old Red Moss wetlands – a Site of Special Scientific Interest – Viscount Green, Horwich is our most sustainable project to date.

# A-rated homes

All our homes at Viscount Green have \*Predicted Energy Assessments of A-Rated, with building fabric enhancements and specification such as triple glazed windows, solar panels, waste water heat recovery and increased insulation. These features are just some of the ways these latest homes improve energy efficiency and help to lower your day to day running costs. Each stylish home strikes a tried and tested balance between contemporary style and comfort, but we've made sure it won't just be comfortable for you.

Local wildlife will also find Viscount Green an easy place to settle, with a wildlife corridor and informal open space, which is planted to encourage bees, birds and butterflies. Viscount Green is a place everyone and everything can flourish.

# Home to a bespoke artwork

As part of the development proposals a unique piece of public artwork has been commissioned, inspired by a race course that once belonged to Horwich Races on the site. Our site surveys uncovered the racecourse on a historic map dating back to 1849, and our research shows it remained very popular from its first race on the 10th of August 1837 until it closed in 1848.

To celebrate this history, we've partnered with animal sculpture specialists Pangeda in Ormskirk, West Lancashire to design and install an equestrian themed sculpture. Pangeda's sculptures are made by a team of artists in Kenya and Zimbabwe using recycled metals, old car parts and appliances and 100% of the sales are returned to the artists to support them and their communities.

# Local life

A bustling urban centre north west of Bolton, Horwich itself is just a five minute train journey from the centre, with a wealth of local amenities on the doorstep, including GPs, hairdressers, and a wide choice of supermarkets and independent shops.

For young families there is a choice of well-regarded nurseries, primary schools, and secondary schools, with many rated outstanding. Cafés, pubs and restaurants are also well catered for, many of them walkable.

A particular highlight since 2014 has been The Rivington Brewing Co. As well as a tap room, you'll find farm trips and a year-round events calendar – all with stunning views of the Rivington Reservoir.

# Plenty to keep you busy

You can't be bored in Horwich. As well as a local cinema and library, residents of Viscount Green are just five minutes away from Horwich Leisure Centre on Victoria Road, and 11 minutes from Middlebrook, the UK's biggest retail and leisure park. Here you can take your pick from much-loved eatery chains like Wagamama, Chiquito, TGI Fridays, and Nando's – not to mention floor upon floor of retail-therapy.

Just next door is Bolton Arena, which boasts a world-class gym, football pitches, indoor tennis courts, business spaces, and a diverse calendar of events. With local golf courses, horse riding centre, an alpaca sanctuary – and Go Ape on Rivington Reservoir, if you're feeling wild – you won't have a dull minute.

## Seriously well connected

When you need to travel further afield, Horwich is extremely well connected, with two local train stations – Blackrod and Horwich Parkway. Horwich Parkway takes the pain out of commuting, getting you to central Bolton in just six minutes and Manchester City Centre in 25. For overseas trips, you can be at Manchester airport – the busiest outside London – in under three quarters of an hour.

Viscount Green is well situated for the 575 Wigan to Bolton bus route which runs regularly and handy motorway access means you're just 35 minutes from Preston, and a little over an hour from Liverpool, the Lake District and the Yorkshire Dales.

## Adventure calls

Along with the Red Moss wetland on the doorstep, there's a lot of green space to explore a short distance away. Just 16 mins away, Rivington Pike and reservoirs are a magnet for walkers, cyclists, and keen-eyed wildlife spotters. Barn owls, long-eared owls, kestrels, kingfishers, and meadow pipits are just some of the local residents you might come across.

Walkers can take in some beautiful landmarks on their travels. Tigers Clough waterfall and Bob's Brew weir on the River Douglas are both reachable by flat walks suitable for all ages, or connectable with wilder countryside for the more ambitious. For road and off-road cyclists there are countless routes to explore, with support on-hand from Tall Paul's mobile cycle repairs.

There are also plenty of accessible options like the magical Rivington Terraced Gardens, and some fascinating local history nearby too, such as Liverpool Castle in Lever Park an unfinished replica folly created by Lord Lever. And for little adventurers, Green Lane Playground is just an 8 minute walk from the door.

## Reserving your Eccleston home

You've found your dream Eccleston home! So what happens next? We sell our new homes in order of the route that we build them and plots are released for sale at various times to follow this route and ahead of them being built.

Homes are sold on a first come, first served basis and purchasers are required to exchange contracts within 6 weeks (42 days) with the appropriate 10% deposit. This usually means that you will need to be either a first time buyer, have your current property sold subject to contract, be a none dependant purchaser, or a cash purchaser.

### 1. Mortgage in Principle

In order to reserve your new home, you'll need a Mortgage in Principle, or Decision in Principle (DIP) from your mortgage provider. Based on basic info such as your income and outgoings, your lender will provide you with a certificate or statement that confirms 'in principle' the amount of money they will lend you.

If you need help sorting a Mortgage in Principle we have access to independent new homes mortgage specialists who are able to provide you with free advice on the range of new homes mortgages available. Please ask your Sales Consultant for further details.

### 2. Proof of identity

As you're undertaking a financial transaction with us, we'll need to see a copy of your passport (for non-UK citizens also a copy of a valid visa) plus proof of your address – this could be from a recent utility bill or driving license. Your Sales Consultant can provide you with a list of all acceptable forms of proof of address.

### 3. Reservation fee

We ask for a £1000 reservation fee to secure your new home. The reservation fee forms part of the overall price of the property and is credited upon Legal Completion.

### 4. Reservation meeting

To secure your new Eccleston home, we will set up a reservation meeting. It gives us the opportunity to take you through your reservation paperwork, share the technical drawings and run through the finer details about your new home and the buying process. And of course, the most exciting bit, you can sign your formal reservation confirmation documents meaning your dream Eccleston home is off the market! Please allow at least an hour for this meeting, this gives you time to ask any questions you may have too.

**Talk to your Sales Consultant for more info.**

If you have any questions about the reservation process please talk to your Sales Consultant.

## How to care for your home

We understand that buying a new home is one of the biggest purchase decisions you'll ever make, which is why all Eccleston Homes come with a full 10 year NHBC (National House Builders Council) structural warranty.

Protected by the 10 year New Home Warranty, your new home is completely covered for any necessary structural repairs from the date of completion, with an independent surveyor team making the final checks on the new home before issuing what is called a 'Build Mark Cover Note' once they are happy that the property is ready to move into. So, while it is unlikely that you will ever have any problems, you can be assured that help is at hand.

### Policy details

The policy is valid for 10 years and includes two key periods; the first two years of the policy called the '2 year Builder Warranty Period', and next 8 years known as the 'Structural Insurance Period'.

### Builder Warranty Period

During this first 2 year period Eccleston Homes are responsible for rectifying any defects, you should report any faults to us directly, and in writing, so that we can try to resolve any issues as quickly as possible.

### NHBC 8 Year Structural Insurance Period

For the balance of the warranty, should you need to make a claim on your policy during this period, you will need to contact the claims team at the NHBC, they will assess your claim and where necessary help you in organising any repair work.

### Customer Care Commitment

When you buy your Eccleston Home you can be confident that your new home has benefited from a wealth of building knowledge and experience. And, as members of the NHBC, the UK's leading home warranty and insurance provider, you'll benefit from their expertise too.

### Consumer Code

The Consumer Code for Home Builders is an industry led scheme which gives protection and rights to purchasers of new homes. As members you can be assured that you're going to be treated fairly and be fully informed about your purchase at every stage of the home-buying process – whether it's pre-contract, at exchange of contract or during occupation.

### Buildmark

When you purchase an Eccleston home you are covered by our two-year warranty, so should you find that your home has any defects that aren't due to general wear and tear or maintenance issues in this time, we promise to get it sorted for you. After the first two years you're covered by Buildmark, the NHBC's insurance scheme, for a maximum of 10 years after you move into your new home.
