The Barn

The Barn at Levedale Farm is an all too rare opportunity to acquire a detached barn for conversion. Planning was recently passed under 23/00310/AGRRES by South Staffordshire Council to convert the current building into a four bedroom contemporary residence which would extend to excess of 2,300 sq ft across two floors. In brief, the accommodation once converted would offer expansive open plan kitchen living dining area, utility, cloakroom with guest WC, sitting room and two ground floor bedrooms with en suites. The kitchen living area and sitting room would benefit from bi folding doors out onto the rear garden. Upstairs, the principal suite offers both a dressing area and en suite, whilst the guest suite provides a spacious bedroom area and en suite. The landing could be an excellent feature, with a large void down to the living area below.

Externally, the barn is approached via a private driveway which could be part gated. There is a large parking area to the front of the barn, whilst the plot continues to the rear. There is the opportunity to create delightful landscaped gardens with superb views over the adjoining countryside.

All in all, the plot totals 0.58 acres. There is excess of 30 acres of land which adjoins the property available by separate negotiation. Please contact the selling agent for further information.
