Persimmon plc, Registered office: Persimmon House, Fulford, York YO19 4FE Registered in England no: 1818486

Maes Y Rhos is a marketing name only. The copyright in this document and design is confidential to and the property of Persimmon Homes Developments 2023. These details are intended to give a general idea of the type of home but they do not form part of any specification or contract. The dimensions are approximate and may vary depending on internal finish. By the time you read this some of the details may have changed because of the Persimmon Homes policy of continually updating and improving design features. Therefore, please be sure to check the plan and specification in the sales office to keep you up-to-date with the latest improvements. The vendors of this property give notice that: (i) the particulars are produced in good faith, are set out as a general guide only and do not constitute any part of a contract; (ii) no person in the employment of Persimmon Homes or their authorised agents has any authority to make or give any representation or warranty whatever in relation to this property.

Persimmon

Together, we make your home

Together, we make your home

When it comes to designing a new development, we apply the same philosophy every time – make it unique, make it personal. That's because we understand your new home is more than simply bricks and mortar. It's a private place of sanctuary where we hope you'll laugh, entertain and escape for many years to come.

**"With over 50 years of building

Who we are

A little bit about us

You're about to make one of the most exciting investments of your life! A beautiful place to call home for years to come. Here are some reasons to invest in a Persimmon home...

Over 50 years of expertise

We've been building homes and communities since the early seventies, and just as fashions have moved on, so too has construction. Over half a century we've perfected processes, fine-tuned materials and honed skills to make us one of today's most modern and progressive home builders.

Sustainability mission

We're committed to reducing our impact on the planet and building for a better tomorrow, with a dedicated in-house team focused on this. [Read more on page 26](#)

Persimmon in numbers

It's not all about numbers we know, but to give you sense of scale here are a few:

14,868

homes
sold in
2022

200+

locations
across
the UK

5000+

employees
make it all
happen

700+

apprentices
taken on
each year

£505.6m

invested in
local communities
in 2022

Real Living Wage

We're proud to be accredited to the Real Living Wage. We value our employees and want to pay them fairly for the good work they do.

Like to know more? Just scan the QR code below.

Happy hour

We run Customer Construction Clinics from our on-site sales offices each Monday from 5-6pm. Pop in to see the team both during and after you've moved in to your new home.

"Building sustainable homes and community hubs"

Save money on your energy bills

The increased thermal retention from our insulation and double glazing, along with reduced water use thanks to efficient appliances, mean you'll automatically save money on your energy and water bills – and with the rising cost of living, this can make a real difference.

Take a look at the recently published HBF Watt a Save report to find out how much you could save.

Giving back

We do everything we can to give back to our communities and proudly contribute towards community hubs, children's play areas, schools and sports facilities.

Our 'Community Champions' and 'Building Futures' programmes help to raise funds for projects and charities across Great Britain. If you'd like to get involved visit persimmonhomes.com/community-champions to see if you could apply to support your local community.

10-year warranty

When you buy a Persimmon home it comes complete with a 'peace of mind' 10-year insurance-backed warranty and our own two-year Persimmon warranty.

Help when you need it

You'll have a dedicated customer care helpline, plus cover for emergencies like complete loss of electricity, gas, water or drainage.

Finishing Touches

We know you'll want to make your home your own, so we created 'Finishing Touches', our home personalisation service.

With you all the way

Your journey with us

From finding your perfect new home to moving in,
we're here to help every step of the way.

1.➔ 2.➔ 3.

Reservation

So you've seen a home you love? Speak to one of our friendly sales advisors who will help you secure your dream home.

Solicitor

You'll need to instruct a solicitor or conveyancer at the point of reservation. Your sales advisor can recommend a local independent company.

Mortgage application

Most people will need to apply for a mortgage. We can recommend independent financial advisors to give you the best impartial advice.

4.➔ 5.➔ 6.

Personalise!

The bit you've been waiting for! Making the final choices for your new home. Depending on build stage you can also choose from a range of Finishing Touches.

Exchange contracts

One step closer to moving in – this is where we exchange contracts and your solicitor will transfer your deposit.

Quality assurance

Your home will be thoroughly inspected by site teams and will also have an Independent Quality Inspection to make sure it's ready for you to move into.

7.➔ 8.➔ 9.

Home demo

Another exciting milestone! Here's where you get to see your new home before completion. You'll be shown how everything works and any questions can be answered.

Handover

The moment you've been waiting for! The paperwork has been completed, the money transferred and now it's time to move in and start unpacking...

After-care

Our site and customer care teams will support you every step of the way. You'll receive a dedicated customer care line number to deal with any issues.

Need help?

One of the best things about buying a new-build home is the amazing offers and schemes you could benefit from. T&Cs apply.

our beautiful new homes
in Maes Y Rhos

Ystradgynlais • Swansea

Maes Y Rhos

Our new two, three, four and five-bedroom homes at Maes Y Rhos are served by a direct route to Swansea, just 15 miles away and Abercraf, just 2.5 miles away, you can also step over the border to the National Park and set your sights on Pen y Fan, the highest point of this famous 350 square-mile expanse of countryside.

Ystradgynlais has a Welsh-speaking heritage and a great sense of community. The town has the convenience of two local Superstore and a range of traditional facilities and services, including schools and a Community Hospital. The River Tawe is one of the local landmarks, running through the town and following the route of the Swansea Valley down to Swansea Bay.

Easily within reach

For commuters to Swansea, the A4067 is the main local route. It joins the M4 at Junction 45, just outside Swansea. The A4109 is the Neath Road, joining the A465 at Aberdulais. Local bus services connect all the towns and villages along the Swansea Valley, with the average journey time into Swansea of around an hour.

The nearest train station is at Neath, just under 11 miles away. From there, the journey time to Swansea is just over 15 minutes.

Local schooling

There are two local comprehensive schools to choose from; Ysgol Maesydderwen and Ysgol Gyfun Ystalyfera. Primary schools in the town include Ysgol Bro Tawe and Ysgol Golwg y Cwm, while neighbouring village primary schools include; Blaendulais Primary School, Ysgol y Cribarth, Tairgwaith Primary School, and Cwmllynfell C P School.

The best thing about living in West Wales is that you have the city, the coast, and the countryside to choose from. It's as easy to get to Swansea, Neath, Port Talbot, and Bridgend as it is to the Bannau Brycheiniog, the Gower Peninsula Area of Outstanding Natural Beauty, and the stunning Pembrokeshire Coast National Park.

Plumbing

Plumbing for washing machine.

Appliances

Single electric stainless steel oven, gas hob in stainless steel and integrated cooker hood and splash-back.

Energy efficiency built in

Sustainability

Our homes are typically 30% more efficient than traditional UK housing, helping you to save money and reduce your impact on the environment.

We're proud that we already build our homes to high levels of energy efficiency, but there's still a way to go. Our in-house sustainability team is dedicated to our mission to have net zero carbon homes in use by 2030, and for our own operations to be net zero carbon by 2040.

To achieve this, we're working to science-based carbon reduction targets in line with the Paris Agreement's 1.5°C warming pledge, investing in low-carbon solutions and technology that will further reduce the carbon footprints of our homes and our impact on the planet.

Energy efficiency built in:

- ✓ **EPC rating – B**
Our typical B rating makes our homes much more efficient than traditional D-rated homes.
- ✓ **Up to 400mm roof space insulation**
Warmer in winter, cooler in summer, reducing energy bills.
- ✓ **Argon gas filled double glazing**
Greater insulation and reduced heat loss.
- ✓ **Energy efficient lighting**
We use energy-saving LED lightbulbs in all our homes.
- ✓ **A-rated appliances**
Many of our kitchen appliances have a highly efficient A rating.
- ✓ **A-rated boilers**
Our condenser boilers far outperform non-condensing ones.
- ✓ **Local links**
We're located close to amenities and public transport to help reduce your travel footprint.
- ✓ **Ultra-fast broadband**
FibreNest fibre-to-the-home connectivity helps you live and work at home more flexibly.
- ✓ **Lower-carbon bricks**
Our concrete bricks typically use 28% less carbon in manufacture than clay, giving total lifetime carbon savings of 2.4 tonnes of CO₂ per house built.

Eco goodies

When you move in to your new Persimmon home you'll find some of our favourite eco brands in your Homemove box. These products are plastic free, refillable and ethically sourced.

Your home, your way

Finishing Touches to make it yours

Our goal is to make your house feel like your home before
you've even collected the keys.

Key to achieving this is giving you the creative freedom to add your own style and personality to every room through our fabulous Finishing Touches collection.

Featuring the very latest designs from a host of leading brands, Finishing Touches lets you personalise your home inside and out. And rest assured, every upgrade and item available has been carefully chosen to complement the style

and finish of your new home. Of course, the real beauty is that all these extras will be ready for the day you move in.

Thanks to our impressive buying power we can offer almost any upgrade you can imagine at a highly competitive price. It can all be arranged from the comfort and convenience of one of our marketing suites, in a personal design appointment.

You can choose:

Kitchens

Appliances

Bathrooms

Flooring

Wardrobes

Fixtures & fittings

"One of the most exciting things about buying a brand new home is putting your own stamp on a blank canvas."

Share & win!

Share your love for your new Persimmon home and you could win a £100 Next voucher. There is one up for grabs every month. For inspiration, check out past winners' homes on our Instagram page @persimmon_homes

#lovemypersimmonhome

The earlier you reserve, the greater the choice

We'll always try and accommodate the Finishing Touches you want, but they are build-stage dependent, so the earlier you reserve the better.

persimmonhomes.com/finishingtouches

Finishing Touches are subject to availability and stage of construction. Prices for your specific home type will be in our price list. For a full list of Finishing Touches available for your home, please contact the sales advisor on site.

All about community

Proud to be building communities

When creating Maes Y Rhos, not only did we create a lovely local environment for you and your family, we also contributed to the wider community.

Throughout the development process, we proactively engage with local communities and work closely with planning authorities. Maes Y Rhos has achieved the right balance of homes and open space and the right mix of house types for a thriving community.

We also include much-needed homes for our Housing Association partners. Our plan enhances local facilities too, providing investment in local infrastructure such as transport, education, retail and recreation facilities, as well as initiatives to generate biodiversity.

“We’ve actively enhanced biodiversity at Maes Y Rhos.”

The illustration is an isometric view of a proposed development. At the top, there are several green buildings of varying sizes, some with red roofs or accents. A dark blue road with white dashed lines runs diagonally across the middle. A red bus is on the road. To the left of the road, there are green trees and a green rectangular area. To the right, there are more green trees, a bench, and a blue rectangular area. At the bottom, there are more green trees and a large orange triangular shape. Three text boxes are overlaid on the illustration, each with a pointer to a specific area.

DEVELOPMENT AREA

Retained habitat corridor around the perimeter of the site & Sustainable Drainage Scheme

NEW ROAD AND PATH LINKS

Vehicular and Pedestrian improvements to Brecon Road and connection to the existing footway leading to Min Y Rhos

COMMUNITY SPACES

£17,500 contribution to a local play area

6 reasons why it pays to buy new

Did you know?

Most of the benefits of buying new are obvious, but some are not. Here's a quick summary of the key reasons why it's such a smart move:

1.

No chain

Few things are more annoying in the home buying process than a time-consuming chain you can't control. Buying new limits the chance of getting involved in one.

2.

Energy efficient

Our homes include cost-effective combi boilers, first-rate loft insulation and draught-free double glazed windows to meet stringent energy-efficient standards, keeping your energy bills as low as possible.

3.

Brand new

Absolutely everything in your new home is brand new. You get all the latest designs and tech, complete with manufacturers' warranties. Win-win.

4.

More ways to buy

We offer a range of schemes to help get you on the property ladder, including Home Change and Part Exchange.

5.

10 year warranty

All our new homes come with a ten-year, insurance-backed warranty, as well as our own two-year Persimmon warranty. In the unlikely event you ever need to claim, our Customer Care Team are there to help you.

6.

Safe & secure

All our homes are built from fire-retardant materials and come with fitted smoke alarms and fire escape windows. They're also far more secure than older buildings thanks to the security locks and lighting we use.

[persimmonhomes.com](https://www.persimmonhomes.com)

**And did we mention you'll have
more time for dancing?**

Buying new means you'll spend far less time on repairs and maintenance, after all, life's too short to spend every weekend doing DIY.

Your modern home

Space4 is one of the UK's leading producers of precision-engineered construction systems, aiming to include their PEFC-certified sustainable timber frames in 50% of homes by 2025.

Many Persimmon homes already benefit from Space4's modern method of construction, with its technology offering improved insulation and air-tightness. For you, this means a reduction of 50% in heating costs compared to the average home in the UK*, plus you'll own a cosier, more comfortable home.

On the outside, your Space4 home will feature the familiar design of a Persimmon home which uses traditional materials such as brick, stone or render. Underneath, the hi-tech timber frame backbone creates new levels of efficiency and building rigidity. Your property will be durable and finished to an excellent standard.

High-performance insulation, together with Space4 construction, an efficient boiler, and attention to air-tightness and ventilation during the construction process, means that our homes can use 59% less gas than the average home in the UK*.

The use of Space4 technology creates a better place to live and work. Lower consumption of heating fuels and transport helps reduce CO2 emissions, while sustainable, recyclable materials create less impact on the wider environment. The overall carbon dioxide emissions for timber construction (the embodied carbon dioxide) are up to six times lower than for masonry.*

Concerning the Government's code for sustainable homes, most building elements with timber specifications largely fall into the 'A+' or 'A' rated categories compared to masonry**.

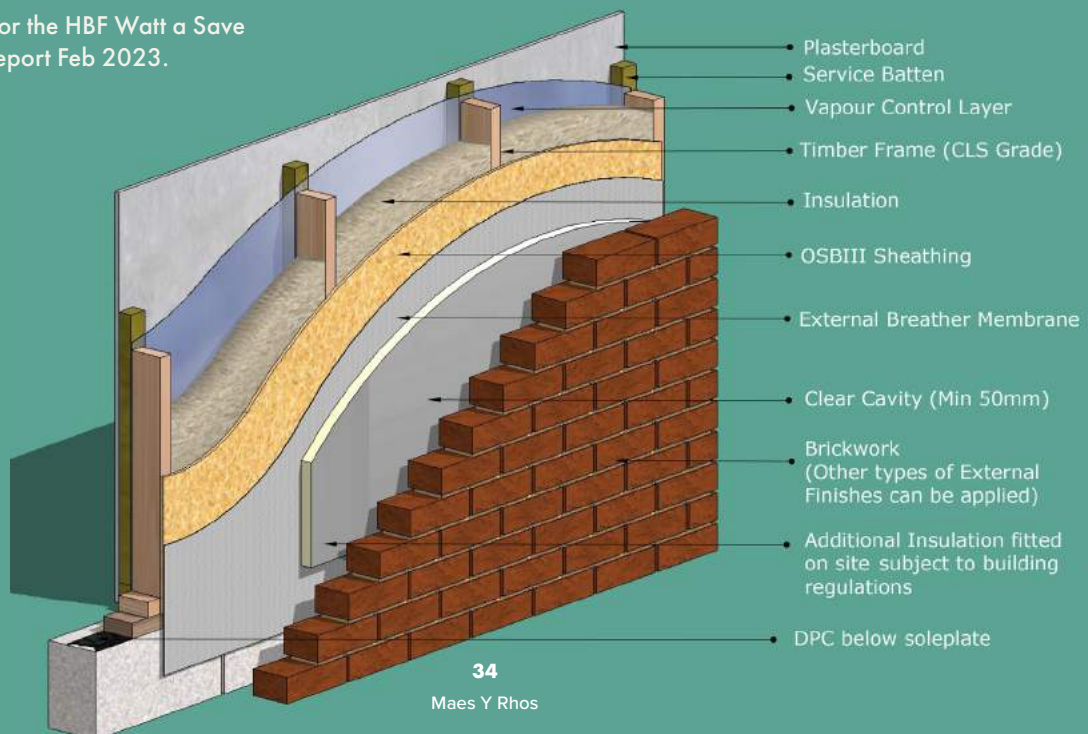

50% lower energy bills

According to recent research by the HBF, those who live in new build homes constructed to today's standards could save more than £3,100 a year on their energy bills compared to neighbours in older homes.* This means families could save approximately £77,500 over the lifetime of a 25-year mortgage.
