Introducing this attractive semi-detached home at Netherton Colliery on the outskirts of Bedlington & Nedderton Village. Beautifully presented from the front door in, you'll find that all bedrooms are well proportioned and are accompanied at first floor level by a modern shower room & separate WC. Across the ground floor, we feel this home steps up a notch in comparison to other three bedroom homes out there for the money, with a really generous front 2 back living room, a very well appointed modern wrap-around kitchen/breakfast room as well as an enclosed boot room beyond. From the kitchen area, you'll find direct access to a brilliant rear garden space, with the added bonus of a large front garden & off-street parking opposite. Surrounded by open green space, this turn-key home is a great rural retreat that still puts you within touching distance of everything that Bedlington town centre has to offer.
