The reception space on offer is brilliant with a living room that opens to what we feel would make a great breakfast room, with the addition of garden room beyond. The dining room is an internal space that leads through to the well appointed kitchen that benefits from a separate utility room & WC beyond. From there you have internal access to the single garage as well as direct access to the generous South West facing garden - you can also achieve garden access from the reception space on the other side of this property. Further highlights include a double driveway to the front, a first floor loft room and the attraction of no onward chain - there is a great deal of home on offer here so get in touch today if this looks to tick a number of your boxes.
