A fantastic home with a great deal to offer - arranged over two floors, this detached dormer style bungalow offers four large double bedrooms (the two on the first floor are simply enormous) and they are supported by two shower rooms as well as a 4-piece family bathroom. The living room is a great size, bay-fronted with a feature fire place. To the rear you'll find a substantial kitchen/dining room with central island that makes for a perfect space to host friends & relatives. There are double doors from this room to the enclosed rear walled garden. This attractive chain free home has what we would call a bonus room, as it could serve a number of uses depending on your needs like a home office or utility space. Externally, a key feature of this property is the detached double garage. Sitting within a private gated development of only four properties, you have the benefit of exclusive resident's parking as well. Please get in touch to see what it looks like in the flesh.
