The internal accommodation briefly comprises: Entrance via a composite door into a central hallway with wood-effect laminate flooring that continues through the dining area and into the kitchen. To the immediate right is a ground floor WC, and further on is a remodelled kitchen fitted with a range of high-gloss sparkle worktops, matching wall and base units, integrated appliances including fridge, freezer, dishwasher, and a Rangemaster cooker with extractor above. The kitchen also benefits from carousel and larder units, plentiful sockets, and a breakfast bar, along with a door providing access to the rear garden. Adjacent to the kitchen is a separate utility room fitted with matching units and space for multiple appliances, including washer, dryer and additional fridge freezer.

To the left of the hallway is a spacious lounge with a picture window to the front and a feature electric flame-effect fire. Bifold oak-framed doors open into an extended garden room, which includes a lantern roof, windows to both sides, and wood-effect flooring. The hallway also includes understairs storage and is open to a dining hallway with galleried staircase rising to the first floor.

Upstairs, the galleried landing includes a feature light and loft access, as well as built-in storage. The principal bedroom features extensive fitted wardrobes and drawers, along with access to a fully tiled en suite bathroom with a P-shaped bath and shower over, WC, sink, and towel radiator. The second bedroom, formerly the master, includes a large picture window to the front, a full wall of sliding wardrobes, and a storage cupboard. There are four further bedrooms, one currently used as a home office. The accommodation is completed by a fully tiled family bathroom fitted with a white suite comprising a bath, WC, sink unit, and a glazed shower cubicle with electric shower.

Externally, the property offers a single garage and driveway parking for at least two vehicles. The property further benefits from a south-facing rear garden featuring a patio area, gravelled borders, established fruit trees and shrubs, and a good degree of privacy, with two storage sheds for added convenience.
