4 Bedroom House - Detached located in Tickenham

Description

The Cairn benefits from its elevated southerly facing aspect, in a peaceful secluded setting with established trees lining the curtilage. The property comprises of the following:

Sitting Room : Dining Room : Kitchen : Breakfast Room : Utility Room : Feature Staircase : Four Bedrooms : Two Shower Rooms (One En-Suite) : Separate Bathroom : Large Double Garage : Garden Room : Greenhouse & Tool Shed : Sun Terrace & Lawned Gardens with mature Planting & Woodland, extending to over an acre.

Individually designed this detached family home has been created to fully appreciate its position. Set on the hillside and basking in the beautiful views that unfold along the valley below. The house is located along a privately owned road and is set against Tower House Woods, which is owned and managed by the Woodland Trust. Idyllic woodland walks are merely minutes away and footpaths lead down the hillside to the well known Jacklands Fishing Lakes. The house is beautifully presented in excellent condition throughout. The large sitting room and dining room each have French doors which open out into the Garden Room.

The grounds have been arranged to take full advantage of the views : a large paved terrace at the front of the house is directly accessed from the the breakfast room and is an ideal place to enjoy dinner with friends or just read a book or take in the scenery.

This is really a truly superb property set in beautiful gardens. At the back of the property is a delightful woodland area. (this could have potential for development subject to consents)

Sitting Room

23'1" x 11'8"

Two large picture windows overlook the front garden with far reaching views. French doors open into the summer room. A recess in the free-standing chimney breast is currently used to house a large flat screen television. The room has hardwood strip flooring and recessed down lights.

Dining Room

14'7" x 11'8"

A window looks out onto the rear garden and French doors open into the Summer Room. This room has matching hardwood strip flooring continuing through from the sitting room and also has recessed down lights.

Kitchen

13'1" x 11'6"

A large picture window to the front gives views across the garden to the valley beyond. The modern kitchen has been fitted with cream gloss units and oak butcher's block style work surfaces, inset one and a half bowl stainless

steel sink unit with matching monobloc mixer tap. Spaces for an American fridge freezer and a range style cooker with ceramic hob. There is a ducted glass extractor canopy, integrated dishwasher and built-in microwave oven/grill. The kitchen opens onto the breakfast room.

Breakfast Room

10'9" x 10'0"

French doors open onto a large terrace with stunning views. Matching laminate flooring continues through from the kitchen. A door leads to the utility room.

Utility Room

10'11" x 7'10"

A large window to the rear looks towards the upper garden and private woodland area. Low level cupboard units with spaces for tumble drier and washing machine with laminate work surfaces over. An inset composite one and a half bowl sink unit with monobloc mixer tap over. A floor-based oil fired condensing boiler supplies the thermostatically controlled hot water and central heating system.

Study/Bedroom 4

10'9" x 9'6"

A window looks onto the rear garden area. There is a telephone point. Immediately adjacent to this room is a shower room.
