Client's Perspective

We have loved living in this beautiful period house and have enjoyed spending time restoring the original Victorian features. The large bay window in the lounge lets light flood in during the Spring and Summer months and at Christmas is a perfect place for a beautifully decorated tree, which, along with the gas fire and log burner, creates a wonderful cosy living space. The mature back garden is a tranquil place to relax and entertain in. We will be sad to leave the area, but it is now time to let another family enjoy living in this traditional Victorian home.
