Village location

This three-bedroom semi-detached home on Lindale Avenue, Grimsargh, is a great find for anyone looking for space, comfort, and a convenient location. Inside, you'll find a bright lounge, a spacious open plan kitchen and dining area, a handy utility room with a WC, three bedrooms, and a family bathroom. From the Agent's Perspective:

We really like this property for its easy layout and the way the living and dining spaces flow together. The open plan kitchen and dining area is perfect for families or those who like to have friends over. The rear garden is well-kept and offers both a decked space and a patio, great for sitting out or entertaining. The garage and driveway are big pluses too, making parking simple. It's located in a peaceful spot within Grimsargh.

From the Client's Perspective:

We've lived on Lindale Avenue since 2005, so it's been nearly 20 years. During that time, we've both lived in and rented out the house while working in different locations. We're

now selling as we've built a home abroad and plan to move there full-time.

What we've loved most is the peacefulness of the cul-de-sac surrounded by greenery, not overlooked front or back, and always full of light. The neighbourhood has a true village feel, with easy access to the M6, local shops, and even a farmers' market.

Over the years, we've made thoughtful changes to the home: opening up the layout, adding a spacious bathroom, three double bedrooms, and a bright kitchen/diner with patio doors leading to a sunny, south-facing garden. The garage is big enough for both a car and a hobby workspace it's been a truly versatile and happy home.
