 The well-served market town of Watton is in the district of Breckland, just less than 25 miles from Norwich. Perfectly positioned for access to the whole of Norfolk and North Suffolk, this town is thought to be where the 'Babes in the Wood' were abandoned in Wayland Wood. You will see on the town sign that there are two babes, and a hare

jumping over the barrel reflecting the town name; wat being the local dialect word for hare, and ton for barrel. There is a traditional market held every Wednesday morning with produce including freshly caught fish, and there are two supermarkets and a number of independent shops, cafes, restaurants and pubs to enjoy.
