

Hampton Lane | Feltham | TW13 6PD

Spacious 4-Bedroom Home with Development Potential – Hampton Lane, TW13. Located on the sought-after Hampton Lane, this mid-terraced four-bedroom home offers space, comfort, and exciting potential to extend or develop (STPP). The ground floor features two generous living rooms, a fully fitted kitchen, and a modern bathroom. Upstairs, you'll find four spacious double bedrooms and a well-appointed family bathroom, ideal for growing families. The property includes a private rear garden and a front garden with potential for a driveway (STPP), adding further convenience and value. Perfectly positioned with easy access to Heathrow and Central London via Country Way transport links, plus excellent connectivity to the M3 and M25 motorways. A fantastic opportunity for families, developers, or investors looking for space and potential in a prime location.
